SEC. 615. DEBT RESTRUCTURING AND LOAN SERVICING.

(a) IN GENERAL.—Subtitle D (7 U.S.C. 1981 et seq.) is amended by adding at the end thereof the following new section:

7 USC 2001.

"SEC. 353. DEBT RESTRUCTURING AND LOAN SERVICING.

"(a) IN GENERAL.—The Secretary shall modify delinquent farmer program loans made or insured under this title, or purchased from the lender or the Federal Deposit Insurance Corporation under section 309B, to the maximum extent possible—

"(1) to avoid losses to the Secretary on such loans, with priority consideration being placed on writing-down the loan principal and interest (subject to subsections (d) and (e)), and debt set-aside (subject to subsection (e)), whenever these procedures would facilitate keeping the borrower on the farm or ranch, or otherwise through the use of primary loan service programs as provided in this section; and

"(2) to ensure that borrowers are able to continue farming or ranching operations.

"(b) ELIGIBILITY.—To be eligible to obtain assistance under subsection (a)—

"(1) the delinquency must be due to circumstances beyond the control of the borrower, as defined in regulations issued by the Secretary;

"(2) the borrower must have acted in good faith with the Secretary in connection with the loan as defined in regulations issued by the Secretary;

"(3) the borrower must present a preliminary plan to the Secretary that contains reasonable assumptions that demonstrate that the borrower will be able to—

"(A) meet the necessary family living and farm operating expenses; and

"(B) service all debts, including those of the loans restructured; and

"(4) the loan, if restructured, must result in a net recovery to the Federal Government, during the term of the loan as restructured, that would be more than or equal to the net recovery to the Federal Government from an involuntary liquidation or foreclosure on the property securing the loan.

"(c) RESTRUCTURING DETERMINATIONS.—

"(1) DETERMINATION OF NET RECOVERY.—In determining the net recovery from the involuntary liquidation of a loan under this section, the Secretary shall calculate—

"(A) the recovery value of the collateral securing the loan, in accordance with paragraph (2); and

"(B) the value of the restructured loan, in accordance with paragraph (3).

"(2) RECOVERY VALUE.—For the purpose of paragraph (1), the recovery value of the collateral securing the loan shall be based on—

"(A) the amount of the current appraised value of the property securing the loan; less

"(B) the estimated administrative, legal, and other expenses associated with the liquidation and disposition of the loan and collateral, including—

"(i) the payment of prior liens;

"(ii) taxes and assessments, depreciation, management costs, the yearly percentage decrease or increase in the value of the property, and lost interest income, each calculated for the average holding period for the type of property involved;

Taxes.

"(iii) resale expenses, such as repairs, commissions, and advertising; and

"(iv) other administrative and attorney's costs.

"(3) VALUE OF THE RESTRUCTURED LOAN.—

"(A) IN GENERAL.—For the purpose of paragraph (1), the value of the restructured loan shall be based on the present value of payments that the borrower would make to the Federal Government if the terms of such loan were modified under any combination of primary loan service programs to ensure that the borrower is able to meet such obligations and continue farming operations.

"(B) PRESENT VALUE.—For the purpose of calculating the present value referred to in subparagraph (A), the Secretary shall use a discount rate of not more than the current rate on 90-day Treasury bills.

"(4) NOTIFICATION.—Within 60 days after receipt of a written request for restructuring from the borrower, the Secretary shall—

"(A) make the calculations specified in paragraphs (2) and (3);

"(B) notify the borrower in writing of the results of such calculations; and

"(C) provide documentation for the calculations.

"(5) RESTRUCTURING OF LOANS.—If the value of the restructured loan is greater than or equal to the recovery value, the Secretary shall, within 45 days after notifying the borrower of such calculations, offer to restructure the loan obligations of the borrower under this title through primary loan service programs that would enable the borrower to meet the obligations (as modified) under the loan and to continue the farming operations of the borrower. If the borrower accepts such offer, within 45 days after receipt of notice of acceptance, the Secretary shall restructure the loan accordingly.

"(6) TERMINATION OF LOAN OBLIGATIONS.—If the value of the restructured loan is less than the recovery value and if, within 45 days after receipt of the notification described in paragraph (4)(B), the borrower pays (or obtains third-party financing to pay) the Secretary an amount equal to the recovery value, the obligations of the borrower to the Secretary under the loan shall terminate, except that the Secretary may require, as a condition of such termination of loan obligations, that the borrower enter into an agreement with the Secretary if the borrower sells or otherwise conveys the real property used to secure such loan within 2 years after the date of such agreement. Any such agreement shall provide for the recapture of part or all of the difference between the recovery value of the loan and the fair market value (on the date of such agreement) of the property securing the loan if the borrower realizes a gain on the sale or

conveyance over the amount of the recovery value of the loan. In no event shall any such agreement provide for recapture of
101 STAT. 1680 an amount that exceeds the difference between such recovery value and the fair market value of the property securing the loan on the date of such agreement.

"(d) PRINCIPAL AND INTEREST WRITE-DOWN.—

"(1) IN GENERAL.—

"(A) PRIORITY CONSIDERATION.—In selecting the restructuring alternatives to be used in the case of a borrower who has requested restructuring under this section, the Secretary shall give priority consideration to the use of principal and interest write-down, except that this procedure shall not be given first priority in the case of a borrower unless other creditors of such borrower (other than those creditors who are fully collateralized) representing a substantial portion of the total debt of the borrower held by such creditors, agree to participate in the development of the restructuring plan or agree to participate in a State mediation program.

"(B) FAILURE OF CREDITORS TO AGREE.—Failure of creditors to agree to participate in the restructuring plan or mediation program shall not preclude the use of principal and interest write-down by the Secretary if the Secretary determines that this restructuring alternative results in the least cost to the Secretary.

"(2) PARTICIPATION OF CREDITORS.—Before eliminating the option to use debt write-down in the case of a borrower, the Secretary shall make a reasonable effort to contact the creditors of such borrower, either directly or through the borrower, and encourage such creditors to participate with the Secretary in the development of a restructuring plan for the borrower.

"(e) SHARED APPRECIATION ARRANGEMENTS.—

"(1) IN GENERAL.—As a condition of restructuring a loan in accordance with this section, the borrower of the loan may be required to enter into a shared appreciation arrangement that requires the repayment of amounts written off or set aside.

"(2) TERMS.—Shared appreciation agreements shall have a term not to exceed 10 years, and shall provide for recapture based on the difference between the appraised values of the real security property at the time of restructuring and at the time of recapture.

"(3) PERCENTAGE OF RECAPTURE.—The amount of the appreciation to be recaptured by the Secretary shall be 75 percent of the appreciation in the value of such real security property if the recapture occurs within 4 years of the restructuring, and 50 percent if the recapture occurs during the remainder of the term of the agreement.

"(4) TIME OF RECAPTURE.—Recapture shall take place at the end of the term of the agreement, or sooner—

"(A) on the conveyance of the real security property;

"(B) on the repayment of the loans; or

"(C) if the borrower ceases farming operations.

"(5) TRANSFER OF TITLE.—Transfer of title to the spouse of a borrower on the death of such borrower shall not be treated as a conveyance for the purpose of paragraph (4).

"(f) DETERMINATION TO RESTRUCTURE.—If the appeal process results in a determination that a loan is eligible for restructuring, the Secretary shall restructure the loan in the manner consistent with this section, taking into consideration the restructuring rec-
101 STAT. 1681 ommendations, if any, of the appeals officer.

"(g) PREREQUISITES TO FORECLOSURE OR LIQUIDATION.—No foreclosure or other similar actions shall be taken to liquidate any loan determined to be ineligible for restructuring by the Secretary under this section—

"(1) until the borrower has been given the opportunity to appeal such decision; and

"(2) if the borrower appeals, the appeals process has been completed, and a determination has been made that the loan is ineligible for restructuring.

"(h) TIME LIMITS FOR RESTRUCTURING.—Once an appeal has been filed under section 333B, a decision shall be made at each level in the appeals process within 45 days after the receipt of the appeal or request for further review.

"(i) NOTICE OF INELIGIBILITY FOR RESTRUCTURING.—

"(1) IN GENERAL.—A notice of ineligibility for restructuring shall be sent to the borrower by registered or certified mail within 15 days after such determination.

"(2) CONTENTS.—The notice required under paragraph (1) shall contain—

"(A) the determination and the reasons for the determination;

"(B) the computations used to make the determination, including the calculation of the recovery value of the collateral securing the loan; and

"(C) a statement of the right of the borrower to appeal the decision to the appeals division, and to appear before a hearing officer.

"(j) INDEPENDENT APPRAISALS.—An appeal filed with the appeals division under section 333B may include a request by the borrower for an independent appraisal of any property securing the loan. On such request, the appeals division shall present the borrower with a list of three appraisers approved by the county supervisor, from which the borrower shall select an appraiser to conduct the appraisal, the cost of which shall be borne by the borrower. The results of such appraisal shall be considered in any final determination concerning the loan. A copy of any appraisal made under this paragraph shall be provided to the borrower.

"(k) FUTURE CREDITWORTHINESS OF BORROWER DETERMINED WITHOUT REGARD TO RESTRUCTURING.—The creditworthiness of, or the adequacy of collateral offered by, any borrower whose loan obligations are restructured under this section shall be determined without regard to such restructuring.".

"(f)(1)(A) The guaranteed portion of any loan made under this title may be sold by the lender, and by any subsequent holder, in accordance with regulations governing such sales as the Secretary shall establish, subject to the following limitations:

"(i) All fees due the Secretary with respect to a guaranteed loan are to be paid in full before any sale.

"(ii) The loan is to have been fully disbursed to the borrower before the sale.

"(B) After a loan is sold in the secondary market, the lender shall remain obligated under its guarantee agreement with the Secretary, and shall continue to service the loan in accordance with the terms and conditions of such agreement. Contracts.

"(C) The Secretary shall develop such procedures as are necessary for the facilitation, administration, and promotion of secondary market operations, and for determining the increase of farmers' access to capital at reasonable rates and terms as a result of secondary market operations.

"(D) This subsection shall not be interpreted to impede or extinguish the right of the borrower or the successor in interest to such borrower to prepay (in whole or in part) any loan made under this title, or to impede or extinguish the rights of any party under any provision of this title.

"(2)(A) The Secretary may, directly or through a market maker approved by the Secretary, issue pool certificates representing ownership of part or all of the guaranteed portion of any loan guaranteed by the Secretary under this title. Such certificates shall be based on and backed by a pool established or approved by the

101 STAT. 1708 Secretary and composed solely of the entire guaranteed portion of such loans.

"(B) The Secretary may, on such terms and conditions as the Secretary deems appropriate, guarantee the timely payment of the principal and interest on pool certificates issued on behalf of the Secretary by approved market makers for purposes of this subsection. If a loan in such pool is prepaid, either voluntarily or by reason of default, the guarantee of timely payment of principal and interest on the pool certificates shall be reduced in proportion to the amount of principal and interest such prepaid loan represents in the pool. "(i) purchase the pool certificates representing ownership of the guaranteed portion of the loan; and

"(ii) pay the registered holder of the certificates an amount equal to the guaranteed portion of the loan represented by the certificate.

"(ii) No State or local law, and no Federal law, shall preclude or limit the exercise by the Secretary of the Secretary's ownership rights in the portions of loans constituting the pool against which the certificates are issued.

"(3) On the adoption of final rules and regulations, the Secretary shall do the following:

"(A) Provide for the central collection of registration information from all participating market makers for all loans and pool certificates sold under paragraphs (1) and (2). Such information shall include, with respect to each original sale and any subsequent sale, identification of the interest rate paid by the borrower to the lender, the lender's servicing fee, whether interest on the loan is at a fixed or variable rate, identification of each purchaser of a pool certificate, the interest rate paid on the certificate, and such other information as the Secretary deems appropriate.

101 STAT. 1709 prospective purchaser of the portion of a loan guaranteed under this title and to each prospective purchaser of a pool certificate issued under paragraph (2), information on the terms, conditions, and yield of such instrument. As used in this subparagraph, if the instrument being sold is a loan, the term 'seller' does not include (i) the person who made the loan or (ii) any person who sells three or fewer guaranteed loans per year.

"(C) Provide for adequate custody of any pooled guaranteed loans.

(a) IN GENERAL.—Sections 251 and 252 of the Act are amended to read as follows:

2 USC 901.

"SEC. 251. REPORTING OF EXCESS DEFICITS.

"(a) INITIAL ESTIMATES, DETERMINATIONS, AND REPORTS BY OMB AND CBO.—

"(1) ESTIMATES AND DETERMINATIONS.—The Director of the Office of Management and Budget and the Director of the Congressional Budget Office (in this part referred to as the 'Directors') shall with respect to each fiscal year and in

accordance with the requirements, specifications, definitions, and calculations required by this part—

"(A) estimate the budget levels of total revenues and outlays that may be anticipated for such fiscal year as of August 15 of the calendar year in which such fiscal year begins (or as of October 10, 1987, in the case of fiscal year 1988),

"(B) determine whether the projected deficit for such fiscal year will exceed the maximum deficit amount for such fiscal year and whether such deficit excess will be greater than $10,000,000,000 (zero in the case of fiscal year 1993),

"(C) estimate the amount of net deficit reduction in the budget baseline that has occurred since January 1 of the calendar year in which such fiscal year begins, and

"(D) estimate the rate of real economic growth that will occur during such fiscal year, the rate of real economic growth that will occur during each quarter of such fiscal year, and the rate of real economic growth that will have occurred during each of the last two quarters of the preceding fiscal year.

"(2) REPORTS.—(A) Based on the estimates and determinations required in paragraph (1) and in accordance with the requirements, specifications, definitions, and calculations required by this part, the Director of the Congressional Budget Office (in this part referred to as the 'Director of CBO') shall issue a report to the Director of the Office of Management and Budget (in this part referred to as the 'Director of OMB') and to the Congress on August 20 of the calendar year in which the fiscal year begins (or on October 15, 1987, in the case of fiscal year 1988) estimating the budget baseline levels of total revenues and total outlays for such fiscal year, identifying the amount of any deficit excess for such fiscal year, stating whether such excess is greater than $10,000,000,000 (zero in the case of fiscal year 1993), estimating the amount of net deficit reduction in the budget baseline that has occurred since January 1 of the calendar year in which such fiscal year begins, specifying the estimated rate of real economic growth for such fiscal year, for each quarter of such fiscal year, and for each of the last two quarters of the preceding fiscal year, indicating whether the estimate includes two or more consecutive quarters of negative real economic growth, estimating the aggregate amount of required outlay reductions, and specifying, by account for non-defense programs and by account for defense programs the budget baseline from which reductions are taken and the amounts and percentages by which such accounts must be reduced during such fiscal year in order to make the reductions required by this part.

"(B) The Director of OMB shall issue a report to the President and the Congress on August 25 of the calendar year in which the fiscal year begins (or on October 20, 1987, in the case of the fiscal year 1988) containing the same information required in subparagraph (A) and the information required in clauses (i) and (ii) for such fiscal year as follows:

"(i) The Director of OMB shall identify and explain any differences between the amount set forth in such report and the corresponding amount set forth in the report of the Director of CBO under subparagraph (A) with respect to—

"(I) the aggregate amount of required outlay reductions;

"(II) the aggregate amount of resources to be sequestered from defense accounts (by type of sequesterable resource) and from non-defense accounts (by type of sequesterable resource); and

"(III) the amount of sequesterable resources for any budget account that is to be reduced if such difference is greater than $5,000,000.

"(ii) The Director of OMB shall calculate and set forth for
101 STAT. 756
defense programs (by type of sequesterable resource) and for non-defense programs (by type of sequesterable resource), the amount of reductions in budgetary resources that would be required by this part using his estimate of the aggregate amount of required outlay reductions and applying the technical assumptions (including outlay rates) and methodologies used in the report of the Director of CBO under subparagraph (A). The Director of OMB shall identify and explain any differences between these estimates and such corresponding amounts set forth under clause (i).

"(iii) In the report for a fiscal year (except fiscal year 1988) issued under this subparagraph, the Director of OMB shall assume that the aggregate outlay rate for defense programs covered by paragraph (6)(C), calculated using data on sequesterable resources and account outlay rates applicable to such fiscal year, shall not differ by more than one-half of 1 percent from such aggregate outlay rate calculated using the same data on sequesterable resources but using account outlay rates calculated arithmetically using the applicable sequesterable resources and outlays contained in the report submitted under this Act for the preceding fiscal year as proposed by the Director of OMB. For purposes of this subparagraph, an aggregate outlay rate shall be the average of account outlay rates (expressed as a percentage) with each account outlay rate (as defined in section 257(13)) given a weight that is proportional to the account's share of total sequesterable resources. The calculation of the non-defense aggregate outlay rate for programs covered by paragraph (6)(C), shall be determined using the procedures and restrictions used for determining the aggregate defense outlay rate.

"(iv) The report issued under this subparagraph for any fiscal year (except fiscal year 1988) may not assume aggregate outlays for the health insurance programs under title XVIII of the Social Security Act (before taking into account legislation enacted or regulations prescribed after the current services budget is submitted) which deviate by more than 1 percent from the amount of outlays estimated for such programs in the current services budget submitted by the President pursuant to section 1109(a) of title 31, United States Code, for such fiscal year. For fiscal year 1988 the report issued under this subparagraph shall assume aggregate outlays for such programs (before taking into account legislation enacted or regulations promulgated as final after August 20, 1987) equal to the amount assumed for such programs by the Director of OMB in the report submitted to the Temporary Joint Committee on Deficit Reduction on August 20, 1987, except that, unless necessary to comply with requirements provided in law, any change in administrative procedures that increases or decreases the average number of days for the payment of claims under title XVIII of the Social Security Act, compared to such average in the preceding fiscal year, shall not be taken into account for purposes of this Act.

"(C)(i) The technical and economic assumptions used by the Director of CBO to calculate the excess deficit shall also be used
101 STAT. 757
by the Director of CBO to calculate the unachieved deficit reduction, required outlay reductions and the amounts and percentages by which budgetary resources must be reduced.

"(ii) The technical and economic assumptions used by the Director of OMB to calculate the excess deficit shall also be used

by the Director of OMB to calculate the required outlay reductions, the unachieved deficit reduction and the amounts and percentages by which budgetary resources must be reduced.

"(iii) For fiscal year 1988, except as specified in subparagraph (B)(iv), the Director of OMB shall use the same economic and technical assumptions (including outlay rates) that the Director of OMB used in the report submitted to the Temporary Joint Committee on Deficit Reduction on August 20, 1987.

"(iv) For fiscal year 1989 and subsequent fiscal years, to the extent that the report submitted by the President for such fiscal year under section 1106(a) of title 31, United States Code, uses economic and technical assumptions (including outlay rates) that differ from those that will be used by the Director of OMB in the report to be submitted under subparagraph (B) for such fiscal year, the report submitted by the President shall explain and identify such differences. Such report shall provide an estimate of the deficit excess and net deficit reduction in the budget baseline consistent with the estimates that will be used by the Director of OMB in the report to be submitted under subparagraph (B) for such fiscal year. The report submitted by the Director of OMB under subparagraph (B) for such fiscal year shall use the economic and technical assumptions that the report submitted by the President indicated would be used by such Director.

"(3) DETERMINATION OF REDUCTIONS.—

"(A) The aggregate amount of required outlay reductions for a fiscal year shall be determined as follows:

"(i) The aggregate required outlay reductions shall be—

"(I) for fiscal year 1988, the amount of unachieved deficit reduction;

"(II) for fiscal year 1989, zero if the deficit excess is equal to or less than $10,000,000,000, or if not, the lesser of the deficit excess or the amount of unachieved deficit reduction; or

"(III) for fiscal year 1990, 1991, 1992, or 1993, zero if the deficit excess for such fiscal year is equal to or less than the amount of the margin for such fiscal year specified in paragraph (10) of section 257, or if not, the amount of the deficit excess for such fiscal year.

The unachieved deficit reduction shall be $23,000,000,000 in the case of fiscal year 1988 and $36,000,000,000 in the case of fiscal year 1989, minus the net deficit reduction in the budget baseline for such fiscal year, but such unachieved deficit reduction shall not exceed $23,000,000,000 in the case of fiscal year 1988 or $36,000,000,000 in the case of fiscal year 1989. Net deficit reduction in the budget baseline for a fiscal year shall be the amount of the estimated deficit for such fiscal year based on laws enacted by, and regulations promulgated as final by, the snapshot date, as measured using the budget baseline specified in paragraph (6), subtracted from the amount of the estimated deficit for such fiscal year based on laws enacted by, and regulations promulgated as final by, January 1 of the calendar year in which such fiscal year begins as measured by using the budget baseline specified in paragraph (6). Both such deficit estimates for a fiscal year shall be made using the same economic and technical assumptions. 101 STAT. 758

"(ii) As used in this paragraph, the term 'snapshot date' means—

"(I) for fiscal year 1988, in the case of an initial report submitted under subsection (a), October 10, 1987, and in the case of a final report submitted

under subsection (c), the latest possible date before its submission;

"(II) for fiscal year 1989 and subsequent fiscal years, in the case of an initial report submitted under subsection (a), August 15, and in the case of a final report submitted under subsection (c), the latest possible date before its submission.

"(B) Subject to the exemptions, exceptions, limitations, special rules, and definitions set forth in this section and in sections 255, 256, and 257, one-half of the aggregate required outlay reductions shall be made under accounts within major functional category 050 (in this part referred to as outlays under 'defense programs'), and shall be made in accordance with the rules prescribed in subsection (d), and the other half of the aggregate required outlay reductions shall be made under other accounts of the Federal Government (in this part referred to as 'non-defense programs').

"(C) The amount by which outlays for automatic spending increases scheduled to take effect during the fiscal year are to be reduced shall be credited as reductions in outlays under non-defense programs, and the total amount of reductions in outlays under non-defense programs required under subparagraph (B) shall be reduced accordingly.

"(D) The maximum reduction permissible for each program to which an exception, limitation, or special rule set forth in subsection (c) or (f) of section 256 applies shall be credited as reductions in outlays under non-defense programs, and the amount of reductions in outlays under non-defense programs shall be further reduced by the amount of the reduction determined with respect to each such program.

Loans.

"(E)(i) Sequestrations and reductions under the remaining non-defense programs shall be applied on a uniform percentage basis so as to reduce new budget authority; new loan guarantee commitments or limitations; new direct loan obligations, commitments, or limitations; obligation limitations; and spending authority as defined in section 401(c)(2) of the Congressional Budget Act of 1974 to the extent necessary to achieve any remaining required outlay reductions; except that each of the programs to which the special rules set forth in subsections (d) and (k) of section 256 apply shall not be reduced by more than the percentages specified in such subsections and the uniform percentage reduction applicable to all other programs under this clause shall be increased (if necessary) to a level sufficient to achieve any remaining required outlay reductions.

101 STAT. 759

Contracts.

"(ii) For purposes of determining reductions under clause (i), any reduction in outlays of the Commodity Credit Corporation under an order issued by the President under section 252 for a fiscal year, with respect to contracts entered into during that fiscal year, that will occur during the succeeding fiscal year, shall be credited as reductions in outlays for the fiscal year in which the order is issued.

The determination of which accounts are within major functional category 050 and which are not, for purposes of subparagraph (B), shall be made by the Directors in a manner consistent with the budget submitted by the President for the fiscal year 1986; except that for such purposes no part of the accounts entitled 'Federal Emergency Management Agency, Salaries and expenses (58-0100-0-1-999)' and 'Federal Emergency Management Agency, Emergency management planning and assistance (58-0101-0-1-999)' shall be treated as being within functional category 050.

"(4) ADDITIONAL SPECIFICATIONS.—The reports submitted under paragraph (2) must also specify (with respect to the fiscal year involved)—

"(A) the amount and percentage increase of the automatic spending increase (if any) which is scheduled to take effect in the case of each program providing for such increases, and the amount and percentage increase (if any) of each such increase which will take effect after reduction under this part;

"(B) the amount of the savings (if any) to be achieved in the application of each of the special rules set forth in subsections (c) through (l) of section 256, along with a statement of (i) the new Federal matching rate resulting from the application of subsection (e) of that section, and (ii) the amount of the percentage reduction in payments to the States under section 204 of the Federal-State Extended Unemployment Compensation Act of 1970; and

In estimating the deficit, the excess deficit, and unachieved deficit reduction for an initial report under paragraph (2) or a final report under subsection (c), the Directors shall use the budget baseline set forth in paragraph (6) based on laws enacted by, and regulations promulgated as final by, the snapshot date applicable to such report.

"(6) BUDGET BASELINE.—In estimating the deficit excess and net deficit reduction in the budget baseline and in computing the amounts and percentages by which accounts must be reduced during a fiscal year as set forth in any report required under this subsection for such fiscal year, the budget baseline shall be determined by—

"(A) assuming (subject to subparagraph (B)) the continuation of current revenue law and, in the case of spending authority as defined in section 401(c)(2) of the Congressional Budget Act of 1974, funding for current law at levels sufficient to fully make all payments required under such law;

"(ii) if required by subparagraph (C)(i), assuming appropriations for a fiscal year in an amount sufficient to—

"(H) assuming, unless otherwise provided by law, that the increase for Veterans' compensaton (36-0153-0-1-701) for a fiscal year will be the same as that required by law for Veterans' pensions;

Loans.

"(I) assuming, for purposes of this paragraph and subparagraph (A)(i) of paragraph (3), that the sale of an asset or prepayment of a loan shall not alter the deficit or produce any net deficit reduction in the budget baseline, except that the budget baseline estimate shall include asset sales mandated by law before September 18, 1987, and routine, ongoing asset sales and loan prepayments at levels consistent with agency operations in fiscal year 1986;

"(J) assuming that deferrals proposed during the period beginning October 1 of such fiscal year and ending with the snapshot date for such fiscal year shall not be taken into account in determining such budget baseline; and

"(1) REPORTS BY CBO.—On November 15 of fiscal year 1988 and on October 10 of subsequent fiscal years, the Director of CBO shall issue a revised report to Congress and the Director of OMB—

"(A) indicating whether and to what extent, as a result of laws enacted and regulations promulgated as final after August 15 of the calendar year in which the fiscal year begins (or after October 10, 1987, in the case of the fiscal year 1988) the aggregate amount of required outlay reductions identified in the report submitted under subsection (a)(2)(A) has been eliminated, reduced, or increased,

"(B) adjusting the determinations made under subsection (a)(2)(A) to the extent necessary, and

"(C) specifying by programs, projects, and activities for defense accounts, the budget baseline from which reductions are taken and the amounts and percentages by which such programs, projects, and activities must be reduced.

101 STAT. 763

"(2) REPORTS BY OMB.—On November 20 of fiscal year 1988 and on October 15 of subsequent fiscal years, the Director of OMB shall submit to the President and the Congress a report revising the report issued under subsection (a)(2)(B), adjusting the estimates, determinations, and specifications contained in the report and taking into account for the purposes of required determinations and comparisons the revised report issued by the Director of CBO under paragraph (1). This report shall contain all of the determinations and comparisons required in, and shall be based on the same economic and technical assumptions, employ the same methodologies, and utilize the same definition of the budget baseline and the same criteria and guidelines as, the report issued under subsection (a)(2)(B), and shall provide for the determination of reductions in the manner specified in subsection (a)(3). "(1) DETERMINATION OF UNIFORM PERCENTAGE.—The total amount of reductions in outlays under defense programs required for a fiscal year under subsection (a)(3)(B) shall be calculated as a percentage of the total amount of outlays for the fiscal year estimated to result from new budget authority and unobligated balances for defense programs.

"(2) SEQUESTRATION OF NEW BUDGET AUTHORITY AND UNOBLIGATED BALANCES.—

"(A) Sequestration to achieve the required reduction in outlays under defense programs shall be made by reducing new budget authority and unobligated balances (if any) in each program, project, or activity under accounts within defense programs by the percentage determined under paragraph (1), computed on the basis of the combined outlay rate for new budget authority and unobligated balances for such program, project, or activity determined under subparagraph (B).

"(B) If the outlay rate for unobligated balances is not available for any program, project, or activity, the outlay rate used shall be the outlay rate for new budget authority.

"(3) FLEXIBILITY WITH RESPECT TO MILITARY PERSONNEL ACCOUNTS.—

"(A) Notwithstanding paragraphs (1) and (2), with respect to a fiscal year the President may, with respect to any military personnel account—

"(i) exempt any program, project, or activity within such account from the order;

"(iii) take actions described in both clauses (i) and (ii).

"(B) If the President uses the authority under subpara-

graph (A), the total amount by which outlays are not reduced for such fiscal year in military personnel accounts by reason of the use of such authority shall be determined. 101 STAT. 764
Additional reductions in outlays under defense programs in such total amount shall be achieved by a uniform percentage sequestration of new budget authority and unobligated balances in each program, project, and activity within each account within major functional category 050 other than those military personnel accounts for which the authority provided under subparagraph (A) has been exercised, computed on the basis of the outlay rate for each such program, project, and activity determined under paragraphs (1) and (2).

"(C) The President may not use the authority provided by subparagraph (A) unless he notifies the Congress on or before October 10, 1987, in the case of fiscal year 1988, or August 15 of the calendar year in which the fiscal year begins in the case of any subsequent fiscal year, of the manner in which such authority will be exercised. The Directors shall reflect the results of authority exercised under this paragraph in the reports required under section 251(a)(2).

"(e) EXCEPTION.—The preceding provisions of this section shall not apply if a declaration of war by the Congress is in effect.

"SEC. 252. PRESIDENTIAL ORDER. 2 USC 902.

"(a) ISSUANCE OF INITIAL ORDER.—

"(1) IN GENERAL.—On August 25 (or October 20, 1987, in the case of fiscal year 1988), following the submission of a report by the Director of OMB under section 251(a)(2)(B), the President, in strict accordance with the requirements of paragraph (2) and section 251(a) (3) and (4) and subject to the exemptions, exceptions, limitations, special rules, and definitions set forth in sections 255, 256, and 257, shall make all the reductions specified in such report by issuing an order that (notwithstanding the Impoundment Control Act of 1974)—

"(A) in accordance with such report, suspends the operation of each provision of Federal law that would (but for such order) require an automatic spending increase to take effect during such fiscal year in such a manner as to prevent such increase from taking effect, or reduce such increase, in accordance with such report; and

"(B) in accordance with such report, sequesters new budget authority; unobligated balances; new loan guarantee commitments or limitations; new direct loan obligations, commitments, or limitations; spending authority as defined in section 401(c)(2) of the Congressional Budget Act of 1974; and obligation limitations— Loans.

"(i) for funds provided in annual appropriation Acts, from each affected program, project, and activity (as set forth in the most recently enacted applicable appropriation Acts and accompanying committee reports for the program, project, or activity involved, including joint resolutions providing continuing appropriations and committee reports accompanying Acts referred to in such resolutions), applying the same reduction percentage as the percentage by which the account involved is reduced in the report submitted under section 251(a)(2)(B) or from each affected budget account if the program, project, or activity is not so set forth, and 101 STAT. 765

"(ii) for funds not provided in annual appropriation Acts, from each budget account activity as identified in the program and financing schedules contained in the appendix to the Budget of the United States Government for that fiscal year, applying the same reduction

percentage as the percentage by which the account is reduced in such report.

"(2) ORDER TO BE BASED ON DIRECTOR OF OMB'S REPORT.—The order must provide for reductions in the manner specified in section 251(a)(3), must incorporate the provisions of the report submitted under section 251(a)(2)(B), and must be consistent with such report in all respects. The President may not modify or recalculate any of the estimates, determinations, specifications, bases, amounts, or percentages set forth in such report in determining the reductions to be specified in the order with respect to programs, projects, and activities, or with respect to budget activities, within an account.

"(3) ORDER REQUIRED IF NO REDUCTIONS ARE NEEDED.—If the report submitted under section 251(a)(2)(B) states that no aggregate outlay reductions are required for a fiscal year, the order issued by the President shall so state.

"(4) EFFECT OF SEQUESTRATION UNDER INITIAL ORDER.—

"(A) IN GENERAL.—Notwithstanding section 257(7), amounts sequestered under an order issued by the President under paragraph (1) shall be withheld from obligation or expenditure pending the issuance of a final order under subsection (b) and shall be permanently sequestered or reduced in accordance with such final order upon the issuance of such order.

"(B) SPECIAL RULE CONCERNING REDUCTION OF PAYMENTS UNDER THE MEDICARE PROGRAM.—

"(i) IN GENERAL.—With respect to services furnished during the interim period (as defined in clause (iii)) for any fiscal year, and notwithstanding any other provision of this Act, payments under the health insurance programs under title XVIII of the Social Security Act shall not be reduced by an initial order under this subsection for that fiscal year.

"(ii) DIRECTOR OF OMB TO DETERMINE ANNUALIZED PERCENTAGE REDUCTION.—The Director of OMB, in consultation with the Secretary of Health and Human Services, shall determine a percentage reduction which shall apply to payments under the health insurance programs under title XVIII of the Social Security Act for services furnished in any fiscal year after the interim period for that year, such that the reduction made in such payments under the final order under subsection (b) for that year shall achieve a total reduction of 2 percent (or, if lower, the uniform percentage reduction provided under section 251(a)(3)(E)(i)) in such payments for such fiscal year as determined on a 12-month basis.

"(iii) INTERIM PERIOD.—In this subparagraph, the term 'interim period' means, with respect to a fiscal year, the period beginning on October 1 of the fiscal year and ending on the date of the issuance of the final order under subsection (b) with respect to that fiscal year.

101 STAT. 766

"(5) ACCOMPANYING MESSAGE.—Not later than the 15th day beginning after the President issues an initial order under paragraph (1) for any fiscal year, the President shall transmit to both Houses of Congress a single message containing all the information required by section 251(a)(4) and further specifying in strict accordance with paragraph (2)—

"(A) within each account, for each program, project, and activity, or budget account activity, the base from which each sequestration or reduction is taken and the amounts which are to be sequestered or reduced for each such program, project, and activity or budget account activity; and

"(B) such other supporting details as the President may determine to be appropriate.

Upon receipt in the Senate and the House of Representatives, the message (and any accompanying proposals made under subsection (c)(1)) shall be referred to all committees with jurisdiction over programs, projects, and activities affected by the order. Congress.

"(6) EFFECTIVE DATE OF INITIAL ORDER.—

"(A) FISCAL YEAR 1988.—The order issued by the President under paragraph (1) with respect to fiscal year 1988 shall be effective as of the day it is issued (and the President shall withhold from obligation or expenditure as provided in paragraph (4), pending the issuance of the final order under subsection (b), any amounts that are sequestered under such order).

"(B) FISCAL YEARS 1989–1993.—The order issued by the President under paragraph (1) with respect to the fiscal year 1989 or any subsequent fiscal year shall be effective as of October 1 of such fiscal year (and the President shall withhold from obligation or expenditure as provided in paragraph (4), pending the issuance of the final order under subsection (b), any amounts that are sequestered under such order).

"(7) TREATMENT OF AUTOMATIC SPENDING INCREASES.—

"(A) FISCAL YEARS 1987–1993.—Notwithstanding any other provision of law, any automatic spending increase that would (but for this clause) be first paid during the period beginning with the first day of such fiscal year and ending with the date on which a final order is issued pursuant to subsection (b) shall be suspended until such final order becomes effective, and the amounts that would otherwise be expended during such period with respect to such increases shall be withheld. If such final order provides that automatic spending increases shall be reduced to zero during such fiscal year, the increases suspended pursuant to the preceding sentence and any legal rights thereto shall be permanently cancelled. If such final order provides for the payment of the full amount of such increases, the increases suspended pursuant to such sentence shall be restored to the extent necessary to pay such reduced or full increases, and lump-sum payments in the amounts necessary to pay such reduced or full increases shall be made, for the period for which such increases were suspended pursuant to this clause. 101 STAT. 767

"(B) PROHIBITION AGAINST RECOUPMENT.—Notwithstanding subparagraph (A), if an amount required to be withheld is paid, no recoupment shall be made against an individual to whom payment was made.

"(C) EFFECT OF LUMP-SUM PAYMENTS ON NEEDS-RELATED PROGRAMS.—Lump-sum payments made under the last sentence of subparagraph (A) shall not be considered as income or resources or otherwise taken into account in determining the eligibility of any individual for aid, assistance, or benefits under any Federal or federally assisted program which conditions such eligibility to any extent upon the income or resources of such individual or his or her family or household, or in determining the amount or duration of such aid, assistance, or benefits.

"(b) ISSUANCE OF FINAL ORDER.—

"(1) IN GENERAL.—On October 15 of the fiscal year (or on November 20, 1987, in the case of fiscal year 1988), after the submission of the revised report by the Director of OMB under section 251(c)(2), the President shall issue a final order under this section to make all of the reductions and sequestrations specified in such report, but only to the extent and in the manner provided in such report. The order issued under this subsection—

"(A) shall include the same reductions and sequestrations

as the initial order issued under subsection (a), adjusted to the extent necessary to take account of any changes in relevant amounts or percentages determined by the Director of OMB in the revised report submitted under section 251(c)(2), and shall include a reduction in payments under the health care programs under title XVIII of the Social Security Act determined in accordance with subsection (a)(4)(B)(ii),

"(B) shall make such reductions and sequestrations in strict accordance with the requirements of sections 251(a) (3) and (4), and

"(C) shall utilize the same criteria and guidelines as those which were used in the issuance of such initial order under subsection (a).

The provisions of section 251(a)(3) shall apply to the revised report submitted under section 251(c)(2) and to the order issued under this subsection in the same manner as such provisions apply to the initial report issued under section 251(a)(2)(B) and to the order issued under subsection (a).

"(2) ORDER REQUIRED IF DEFICIT REDUCTION IS ACHIEVED.—If the Director of OMB issues a revised report under section 251(c)(2) stating that as a result of laws enacted and regulations promulgated as final after August 15 of the calendar year in which such fiscal year begins (or October 10, 1987, in the case of fiscal year 1988) no deficit reduction is necessary to fully satisfy the requirements of section 251(a)(3)(A), the order issued under this subsection shall so state and shall make available for obligation and expenditure any amounts withheld pursuant to subsection (a)(4) or (a)(7).

"(3) EFFECTIVE DATE OF FINAL ORDER.—

"(A) The final order issued by the President under paragraph (1) shall become effective on the date of its issuance, and shall supersede the initial order issued under subsection (a)(1).

101 STAT. 768

"(B) Any modification or suspension by such order of the operation of a provision of law that would (but for such order) require an automatic spending increase to take effect during the fiscal year shall apply for the one-year period beginning with the date on which such automatic increase would have taken effect during such fiscal year (but for such order).

"(4) ACCOMPANYING MESSAGE.—Not later than the 15th day beginning after the President issues a final order under paragraph (1) for any fiscal year, the President shall transmit to both Houses of Congress a single message in the same manner as, and containing all the information required by, subsection (a)(5).

"(c) PROPOSAL OF ALTERNATIVES BY THE PRESIDENT.—

"(1) IN GENERAL.—A message transmitted pursuant to subsection (a)(5) with respect to a fiscal year may be accompanied by a proposal setting forth in full detail alternative ways to reduce the deficit for such fiscal year in an amount not less than the deficit reduction required under section 251(a)(3) for such fiscal year.

"(2) FLEXIBILITY AMONG DEFENSE PROGRAMS, PROJECTS, AND ACTIVITIES.—

"(A) Subject to subparagraphs (B), (C), and (D), and subsection (d), new budget authority and unobligated balances for any programs, projects, or activities within major functional category 050 (other than a military personnel account) may be further reduced beyond the amount specified in an order issued by the President under subsection (b)(1) for such fiscal year. To the extent such additional reductions are made and result in additional outlay reductions, the President may provide for lesser reductions in

new budget authority and unobligated balances for other programs, projects, or activities within major functional category 050 for such fiscal year, but only to the extent that the resulting outlay increases do not exceed the additional outlay reductions, and no such program, project, or activity may be increased above the level actually made available by law in appropriation Acts (before taking sequestration into account). In making calculations under this subparagraph, the President shall use account outlay rates that are identical to those used in the report by the Director of OMB under section 251(c)(2).

"(B) No actions taken by the President under subparagraph (A) for a fiscal year may result in a domestic base closure or realignment that would otherwise be subject to section 2687 of title 10, United States Code.

"(C) The President may not exercise the authority provided by this paragraph for a fiscal year unless—

SEC. 1301. PREVENTION OF THE CREATION OF ENTITIES TO QUALIFY AS SEPARATE PERSONS.

(a) IN GENERAL.—Effective beginning with the 1989 crops, the Food Security Act of 1985 is amended—

(1) in section 1001(1) (7 U.S.C. 1308), by striking out "For each" and inserting in lieu thereof "Subject to sections 1001A through 1001C, for each";

(2) in section 1001(2)—

(A) in subparagraph (A), by striking out "For each" and inserting in lieu thereof "Subject to sections 1001A through 1001C, for each"; and

(B) in subparagraph (C), by striking out "The total" and inserting in lieu thereof "Subject to sections 1001A through 1001C, the total"; and

(3) by inserting after section 1001 the following new section:

"SEC. 1001A. PREVENTION OF CREATION OF ENTITIES TO QUALIFY AS SEPARATE PERSONS; PAYMENTS LIMITED TO ACTIVE FARMERS. 7 USC 1308-1.

"(a) PREVENTION OF CREATION OF ENTITIES TO QUALIFY AS SEPARATE PERSONS.—For the purposes of preventing the use of multiple legal entities to avoid the effective application of the payment limitations under section 1001:

"(1) IN GENERAL.—A person (as defined in section 1001(5)(B)(i)) that receives farm program payments (as described in paragraphs (1) and (2) of this section as being subject to limitation) for a crop year under the Agricultural Act of 1949 (7 U.S.C. 1421 et seq.) may not also hold, directly or indirectly, substantial beneficial interests in more than two entities (as defined in section 1001(5)(B)(i)(II)) engaged in farm operations that also receive such payments as separate persons, for the purposes of the application of the limitations under section 1001. A person that does not receive such payments for a crop year may not hold, directly or indirectly, substantial beneficial interests in more than three entities that receive such payments as separate persons, for the purposes of the application of the limitations under section 1001. 101 STAT. 1330-13

"(2) MINIMAL BENEFICIAL INTERESTS.—For the purpose of this subsection, a beneficial interest in any entity that is less than 10 percent of all beneficial interests in such entity combined shall not be considered a substantial beneficial interest, unless the Secretary determines, on a case-by-case basis, that a smaller percentage should apply to one or more beneficial interests to ensure that the purpose of this subsection is achieved.

"(3) NOTIFICATION BY ENTITIES.—To facilitate administration of this subsection, each entity receiving such payments as a separate person shall notify each individual or other entity that acquires or holds a substantial beneficial interest in it of the requirements and limitations under this subsection. Each such entity receiving payments shall provide to the Secretary of Agriculture, at such times and in such manner as prescribed by the Secretary, the name and social security number of each individual, or the name and taxpayer identification number of each entity, that holds or acquires a substantial beneficial interest.

"(4) NOTIFICATION OF INTEREST.—

"(A) IN GENERAL.—If a person is notified that the person holds substantial beneficial interests in more than the number of entities receiving payments that is permitted under this subsection for the purposes of the application of the limitations under section 1001, the person immediately shall notify the Secretary, designating those entities that should be considered as permitted entities for the person for purposes of applying the limitations. Each remaining entity in which the person holds a substantial beneficial interest shall be subject to reductions in the payments to the entity subject to limitation under section 1001 in accordance with this subparagraph. Each such payment applicable to the entity shall be reduced by an amount that bears the same relation to the full payment that the person's beneficial interest in the entity bears to all beneficial interests in the entity combined. Before making such reductions, the Sec-

retary shall notify all individuals or entities affected thereby and permit them to adjust among themselves their interests in the designated entity or entities.

"(B) NOTICE NOT PROVIDED.—If the person does not so notify the Secretary, all entities in which the person holds substantial beneficial interests shall be subject to reductions in the per person limitations under section 1001 in the manner described in subparagraph (A). Before making such reductions, the Secretary shall notify all individuals or entities affected thereby and permit them to adjust among themselves their interests in the designated entity or entities.".

101 STAT. 1330-17

"(E) The Secretary may not approve (for purposes of the application of the limitations under this section) any change in a farming operation that otherwise will increase the number of persons to which the limitations under this section are applied unless the Secretary determines that the change is bona fide and substantive. "(ii) The aggregate of all amounts received by the telephone bank during the fiscal year from the issuance of class B stock, multiplied by the rate at which dividends are payable by the telephone bank during the fiscal year, as specified in section 406(d), to holders of class B stock, which product is divided by the aggregate of the amounts advanced by the telephone bank during the fiscal year.

"(iii) The aggregate of all amounts received by the telephone bank during the fiscal year from the issuance of class C stock, multiplied by the rate at which dividends are payable by the telephone bank during the fiscal year, under section 406(e), to holders of class C stock, which product is divided by the aggregate of the amounts advanced by the telephone bank during the fiscal year.

"(v)(I) The amount by which the aggregate of the amounts advanced by the telephone bank during the fiscal year exceeds the aggregate of the amounts received by the telephone bank from the issuance of class A stock, class B stock, class C stock, and telephone debentures and other obligations of the telephone bank during the fiscal year,

"(II) For purposes of this clause, the term 'historic cost of money rate', with respect to the close of a preceding fiscal year, means the sum of the results of the following calculations: The amounts advanced by the telephone bank in each fiscal year during the period beginning with fiscal year 1974 and ending with the preceding fiscal year, multiplied, respectively, by the cost of money rate for the fiscal year (as set forth in the table in subparagraph (E)) for fiscal years 1974 through 1987, and as determined by the Governor under this subparagraph for fiscal years after fiscal year 1987), each of which products is divided, respectively, by the aggregate of the amounts advanced by the telephone bank during the period.

"(E) For purposes of subparagraph (D)(II), the cost of money rate for the fiscal years in which each advance was made shall be as set forth in the following table:

"For advances made in—	The cost of money rate shall be—
Fiscal year 1974	5.01 percent

ment is made or 90 days after such date of enactment, elect to have the interest rate specified in the loan commitment apply to the unadvanced portion of the loan in lieu of the rate which (but for this clause) would apply to the unadvanced portion under this paragraph. If any borrower makes an election under this clause with respect to a loan, the Governor shall adjust the interest rate which applies to the unadvanced portion of the loan accordingly.

"(ii)(I) If the telephone bank, pursuant to section 407(b), issues telephone debentures on any date to refinance telephone debentures or other obligations of the telephone bank, the telephone bank shall, in addition to any interest rate reduction required by any other provision of this paragraph, for the period applicable to the advance, reduce the interest rate charged on each advance made under this section during the fiscal year in which the refinanced debentures or other obligations were originally issued by the amount applicable to the advance.

"(II) For purposes of subclause (I), the term 'the period applicable to the advance' means the period beginning on the issue date described in subclause (I) and ending on the earlier of the date the advance matures or is completely prepaid.

"(III) For purposes of subclause (I), the term 'the amount applicable to the advance' means an amount which fully reflects

that percentage of the funds saved by the telephone bank as a result of the refinancing which is equal to the percentage representation of the advance in all advances described in subclause (I).

"(IV) Within 60 days after any issue date described in subclause (I), the Governor shall amend the loan documentation for each advance described in subclause (I), as necessary, to reflect any interest rate reduction applicable to the advance by reason of this clause, and shall notify each affected borrower of the reduction.

On receipt of such a petition, the clerk of the court shall transmit a copy of the petition to the Governor. On receipt of a copy of such a petition from the clerk of the court, the Governor shall file with the court the record on which the determination is based. The court shall have jurisdiction to affirm, set aside, or modify the determination.

"(ii) Individuals who receive only child care or medical benefits under the Project shall not be eligible to receive food assistance under the Project. Such individuals may receive coupons under the food stamp program if eligible.

"(i) to any individual who is accepted for participation in the Project, not later than 30 days after such individual applies to participate in the Project;

"(ii) to any participant for the period that begins on the date such participant applies to participate in the Project, except that the amount of such assistance shall be reduced to reflect the pro rata value of any coupons received under the food stamp program for such period for the benefit of such participant; and

"(iii) until—

101 STAT. 1330-31

"(I) the participant's cash assistance under the Project is terminated;

"(II) such participant is informed of such termination and is advised of the eligibility requirements for participation in the food stamp program;

"(iii) The Project shall provide for telephone contact by, mail delivery of forms to and mail return of forms by, and subsequent home or telephone interview with, the elderly persons, physically or mentally handicapped, and persons otherwise unable, solely because of transportation difficulties and similar hardships, to appear in person.

"(iv) An individual who applies to participate in the Project may be represented by another person in the review process if the other person has been clearly designated as the representative of such individual for that purpose, by such individual or the spouse of such individual, and, in the case of the review process, the representative is an adult who is sufficiently aware of relevant circumstances, except that the State may—

"(I) restrict the number of individuals who may be represented by such person; and

"(II) otherwise establish criteria and verification standards for representation under this clause.

"(v) The State shall provide a method for reviewing applications to participate in the Project submitted by, and distributing food assistance under the Project to, individuals who do not reside in permanent dwellings or who have no fixed mailing address. In carrying out the preceding sentence, the State shall take such steps as are necessary to ensure that participation in the Project is limited to eligible individuals.

"(3) An assurance that the State will allow any individual to apply to participate in the food stamp program without applying to participate in the Project.

"(4) An assurance that the cost of food assistance provided under the Project will not be such that the aggregate amount of payments made under this section by the Secretary to the State over the period of the Project will exceed the sum of— 101 STAT. 1330-32

"(5) An assurance that the State will continue to carry out the food stamp program while the State carries out the Project.

"(6) If there is a change in existing State law that would eliminate guaranteed benefits or reduce the rights of applicants or participants under this section during, or as a result of participation in, the Project, the Project shall be terminated.

"(7) An assurance that the Project shall include procedures and due process guarantees no less beneficial than those which are available under Federal law and under State law to participants in the food stamp program.

"(B) The Project may be terminated 180 days after—

"(i) the State gives notice to the Secretary that it intends to terminate the Project; or

SEC. 3001. RECOVERY OF EXCESS CASH RESERVES ACCUMULATED UNDER THE GUARANTEED STUDENT LOAN PROGRAM.

(a) IN GENERAL.—Section 422 of the Higher Education Act of 1965 (20 U.S.C. 1072) is amended by adding at the end thereof the following new subsection:

"(e) REDUCTION OF EXCESS CASH RESERVES.—

"(1) LIMITATION ON MAXIMUM CASH RESERVES.—A guaranty

agency shall not accumulate cash reserves in excess of the greater of—

"(A) 40 percent of the total amount paid by that agency
101 STAT. 1330-37 on insurance claims during the preceding fiscal year;

"(B) 0.3 percent of original principal amount of loans that are insured by that agency and that are outstanding at the end of such preceding fiscal year;

"(C) an amount which, when combined with all other parts of total agency reserves, equals 0.4 percent of such original principal amount;

"(D) $500,000; or

"(E) the amount required to comply with the reserve requirements of a State law as in effect on October 17, 1986.

"(2) RECOVERY OF EXCESS CASH RESERVES.—The Secretary shall, not later than March 31, 1988, determine for each guaranty agency the maximum cash reserve permitted under paragraph (1) for fiscal year 1986. Subject to paragraphs (3) and (4), if the Secretary determines that any guaranty agency had, at the end of fiscal year 1986, a cash reserve that exceeded such maximum, the Secretary shall direct the agency to eliminate such excess by any one or more of the following methods, as selected by the guaranty agency:

"(A) by repaying any advances to such agency made by the Secretary under this section that are not required to be repaid under subsection (d);

"(B) by withholding and canceling claims for reimbursement otherwise payable under section 428(c)(1);

"(C) by reducing the amount of payments for which application will be made by such agency under section 428(f); or

"(D) by any other method of reducing payments from or increasing payments to the Federal Government, including payment of additional reinsurance fees in addition to the fees required by section 428(c)(9), as proposed by the agency and agreed to by the Secretary.

"(3) APPEALS BASED ON SPECIAL CIRCUMSTANCES.—(A) If the Secretary determines, on the basis of an application from a guaranty agency, that—

"(i) the agency's financial position has deteriorated significantly since the end of the preceding fiscal year;

"(ii) significant changes in the economic circumstances (such as a change in agency current cash reserves) or the loan insurance program render the limitations of paragraph (1) inadequate for the continued functioning of the agency; or

"(iii) in recovering funds as required by this subsection, a guaranty agency would be compelled to violate contractual obligations existing on the date of enactment of this subsection that require a specified level of reserve funds to be maintained by such agency;

the Secretary may waive, in whole or in part, the imposition of the remedies required by paragraph (2) for such agency.

"(B) The Secretary shall respond to request for waivers from guaranty agencies in an expedited manner and, except for unusual circumstances or with the consent of the guaranty agency, shall resolve such request within 6 weeks of submission.

"(4) RECOVERY LIMITS.—The Secretary shall not require a total reduction of cash reserves for all guaranty agencies in excess of $250,000,000 during fiscal year 1988. If the total of cash reserves of all guaranty agencies exceeds the maximum amounts per-
101 STAT. 1330-38 mitted under paragraph (1) by more than $250,000,000, the Secretary shall ratably reduce the amounts that guaranty agencies are directed to eliminate under paragraph (2), so that the total excess cash reserves to be eliminated equals $250,000,000.

"(5) DEFINITIONS.—As used in this subsection—

"(A) the 'cash reserves' for any guaranty agency for any

fiscal year are equal to the agency's cumulative cash receipts less the agency's cumulative cash disbursements at the end of such fiscal year;

"(B) the 'total reserves' for any guaranty agency for any fiscal year are equal to the agency's cash reserves plus the agency's cumulative accounts receivable less the agency's accounts payable, as of the end of such fiscal year;

"(C) the term 'cumulative cash receipts' includes such receipts as insurance premiums, Federal reinsurance payments, and collections on defaulted loans;

"(D) the term 'cumulative cash disbursements' includes such disbursements as payments for default claims, repayment of Federal advances, transfers to other State activities, and payment of collection costs and other operating costs;

"(E) the term 'accounts receivable' includes Federal reinsurance payments and administrative cost allowances owed but not yet paid to the guaranty agency, as of the end of a fiscal year; and

"(F) the term 'accounts payable' includes collections and reinsurance fees due (but not paid) to the Department of Education, as of the end of a fiscal year.".

101 STAT. 1330-70

"(c)(1) Any agreement entered into or renewed by the Secretary pursuant to section 1864 relating to home health agencies shall provide that the appropriate State or local agency shall conduct, without any prior notice, a standard survey of each home health agency. Any individual who notifies (or causes to be notified) a home health agency of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed $2,000. The Secretary shall provide for imposition of civil money penalties under this clause in a manner similar to that for the imposition of civil money penalties under section 1128A. The Secretary shall review each State's or local agency's procedures for scheduling and conduct of standard surveys to assure that the State or agency has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

"(2)(A) Except as provided in subparagraph (B), each home health agency shall be subject to a standard survey not later than 15

months after the date of the previous standard survey conducted under this paragraph. The statewide[27a] average interval between standard surveys of any home health agency shall not exceed 12 months.

"(B) If not otherwise conducted under subparagraph (A), a standard survey (or an abbreviated standard survey) of an agency—

"(i) may be conducted within 2 months of any change of ownership, administration, or management of the agency to determine whether the change has resulted in any decline in the quality of care furnished by the agency, and

"(ii) shall be conducted within 2 months of when a significant number of complaints have been reported with respect to the agency to the Secretary, the State, the entity responsible for the licensing of the agency, the State or local agency responsible for maintaining a toll-free hotline and investigative unit (under section 1864(a)), or any other appropriate Federal, State, or local agency.

"(C) A standard survey conducted under this paragraph with respect to a home health agency—

"(i) shall include (to the extent practicable), for a case-mix stratified sample of individuals furnished items or services by the agency—

"(I) visits to the homes of such individuals, but only with the consent of such individuals, for the purpose of evaluating (in accordance with a standardized reproducible assessment instrument (or instruments) approved by the Secretary under subsection (d)) the extent to which the quality and scope of items and services furnished by the agency attained and maintained the highest practicable functional capacity of each such individual as reflected in such individual's written plan of care required under section 1861(m) and clinical records required under section 1861(o)(3); and

"(II) a survey of the quality of care and services furnished by the agency as measured by indicators of medical, nursing, and rehabilitative care;

"(III) who has no personal or familial financial interest in the home health agency surveyed.

"(D) Each home health agency that is found, under a standard survey, to have provided substandard care shall be subject to an extended survey to review and identify the policies and procedures which produced such substandard care and to determine whether the agency has complied with the conditions of participation specified in or pursuant to section 1861(o) or subsection (a) of this section. Any other agency may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey). The extended survey shall be conducted immediately after the standard survey (or, if not practical, not later than 2 weeks after the date of completion of the standard survey).

"(E) Nothing in this paragraph shall be construed as requiring an extended (or partial extended) survey as a prerequisite to imposing a sanction against an agency under subsection (e) on the basis of the findings of a standard survey. .

[27a] Copy read "Statewide".

"(d)(1) Not later than January 1, 1989, the Secretary shall designate an assessment instrument (or instruments) for use by an agency in complying with subsection (c)(2)(C)(I).

longer in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) and determines that the deficiencies involved immediately jeopardize the health and safety of the individuals to whom the agency furnishes items and services, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subsection (f)(2)(A)(iii) or terminate the certification of the agency, and may provide, in addition, for 1 or more of the other remedies described in subsection (f)(2)(A).

"(2) If the Secretary determines on the basis of a standard, extended, or partial extended survey or otherwise, that a home health agency that is certified for participation under this title is no longer in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) and determines that the deficiencies involved do not immediately jeopardize the health and safety of the individuals to whom the agency furnishes items and services, the Secretary may (for a period not to exceed 6 months) impose intermediate sanctions developed pursuant to subsection (f), in lieu of terminating the certification of the agency. If, after such a period of intermediate sanctions, the agency is still no longer in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a), the Secretary shall terminate the certification of the agency.

"(3) If the Secretary determines that a home health agency that is certified for participation under this title is in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subsection (f)(2)(A)(i) for the days in which it finds that the agency was not in compliance with such requirements.

"(4) The Secretary may continue payments under this title with respect to a home health agency not in compliance with the requirements specified in or pursuant to section 1861(o) or subsection (a) over a period of not longer than 6 months, if—

"(A) the State or local survey agency finds that it is more appropriate to take alternative action to assure compliance of the agency with the requirements than to terminate the certification of the agency,

"(B) the agency has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

"(C) the agency agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by home health agencies under this subparagraph.

"(f)(1) The Secretary shall develop and implement, by not later than April 1, 1989—

"(A) a range of intermediate sanctions to apply to home health agencies under the conditions described in subsection (e), and

"(B) appropriate procedures for appealing determinations relating to the imposition of such sanctions.

"(2)(A) The intermediate sanctions developed under paragraph (1) shall include—

"(i) civil money penalties for each day of noncompliance, 101 STAT. 1330-73

"(ii) suspension of all or part of the payments to which a home health agency would otherwise be entitled under this title with respect to items and services furnished by a home health agency on or after the date on which the Secretary determines that intermediate sanctions should be imposed pursuant to subsection (e)(2), and

"(iii) the appointment of temporary management to oversee the operation of the home health agency and to protect and assure the health and safety of the individuals under the care of the agency while improvements are made in order to bring the agency into compliance with all the requirements specified in or pursuant to section 1861(o) or subsection (a).

The temporary management under clause (iii) shall not be terminated until the Secretary has determined that the agency has the management capability to ensure continued compliance with all the requirements referred to in that clause.

"(B) The sanctions specified in subparagraph (A) are in addition to sanctions otherwise available under State or Federal law and shall not be construed as limiting other remedies, including any remedy available to an individual at common law.

"(C) A finding to suspend payment under subparagraph (A)(ii) shall terminate when the Secretary finds that the home health agency is in substantial compliance with all the requirements specified in or pursuant to section 1861(o) and subsection (a).

"(3) The Secretary shall develop and implement, by not later than April 1, 1989, specific procedures with respect to the conditions under which each of the intermediate sanctions developed under paragraph (1) is to be applied, including the amount of any fines and the severity of each of these sanctions. Such procedures shall be designed so as to minimize the time between identification of deficiencies and imposition of these sanctions and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies.".

(b) EFFECTIVE DATE.—Except as otherwise specifically provided in subsections (e) and (f) of section 1891 of the Social Security Act (as added by subsection (a)), the amendment made by subsection (a) shall become effective on the first day of the 18th calendar month to begin after the date of the enactment of this Act. 42 USC 1395bbb note.

(c) AGREEMENTS WITH ELIGIBLE ORGANIZATIONS TO [42] CONDUCT DEMONSTRATION PROJECTS.— 101 STAT. 1330-123

(1) The Secretary may not enter into an agreement with an eligible organization to conduct a demonstration project under this section unless the organization meets the requirements of this subsection and subsection (d) with respect to members enrolled with the organization under this section.

(2) The organization shall have an open enrollment period for the enrollment of individuals under this section. The duration of such period of enrollment and any other requirement pertaining to enrollment or termination of enrollment shall be specified in the agreement with the organization.

(3) The organization must provide to members enrolled with the organization under this section, through providers and other persons that meet the applicable requirements of titles XVIII and XIX of the Social Security Act, community nursing and ambulatory care (as defined in subsection (b)(1)) which is generally available to individuals residing in the geographic area served by the organization, except that the organization may provide such members with such additional health care services as the members may elect, at their option, to have covered.

(4) The organization must make community nursing and ambulatory care (and such other health care services as such individuals have contracted for) available and accessible to each individual enrolled with the organization under this section, within the area served by the organization, with reasonable promptness and in a manner which assures continuity.

(5) Section 1876(c)(5) of the Social Security Act shall apply to organizations under this section in the same manner as it applies to organizations under section 1876 of such Act.

(6) The organization must have arrangements, established in accordance with regulations of the Secretary, for an ongoing quality assurance program for health care services it provides to such individuals under the demonstration project conducted under this section, which program (A) stresses health outcomes and (B) provides review by health care professionals of the process followed in the provision of such health care services.

(7) Under a demonstration project under this section—

(A) the Secretary could require the organization to provide financial or other assurances (including financial risk-sharing) that minimize the inappropriate substitution of other services under title XVIII of such Act for community nursing services; and

(B) if the Secretary determines that the organization has failed to perform in accordance with the requirements of the project (including meeting financial responsibility requirements under the project, any pattern of disproportionate or inappropriate institutionalization) the Secretary shall, after notice, terminate the project.

(d) DETERMINATION OF PER CAPITA PAYMENT RATES.—

(1) The Secretary shall determine for each 12-month period in which a demonstration project is conducted under this section, and shall announce (in a manner intended to provide notice to interested parties) not later than three months before the beginning of such period, with respect to each eligible organization conducting a demonstration project under this section, a per capita rate of payment for each class of individuals who are enrolled with such organization who are entitled to benefits 101 STAT. 1330-124 under part A and enrolled under part B of title XVIII of the Social Security Act.

[42] Copy read "WITH ELIGIBLE ORGANIZATIONS TO".

(2)(A) Except as provided in paragraph (3), the per capita rate of payment under paragraph (1) shall be determined in accordance with this paragraph.

(B) The Secretary shall define appropriate classes of members, based on age, disability status, and such other factors as the Secretary determines to be appropriate, so as to ensure actuarial equivalence. The Secretary may add to, modify, or substitute for such classes, if such changes will improve the determination of actuarial equivalence.

(C) The per capita rate of payment under paragraph (1) for each such class shall be equal to 95 percent of the adjusted average per capita cost (as defined in subparagraph (D)) for that class.

(D) For purposes of subparagraph (C), the term 'adjusted average per capita cost' means the average per capita amount that the Secretary estimates in advance (on the basis of actual experience, or retrospective actuarial equivalent based upon an adequate sample and other information and data, in a geographic area served by an eligible organization or in a similar area, with appropriate adjustments to assure actuarial equivalence) would be payable in any contract year for those services covered under parts A and B of title XVIII of the Social Security Act and types of expenses otherwise reimbursable under such parts A and B which are described in subparagraphs (A) through (G) of subsection (b)(1) (including administrative costs incurred by organizations described in sections 1816 and 1842 of such Act), if the services were to be furnished by other than an eligible organization.

(3) The Secretary shall, in consultation with providers, health policy experts, and consumer groups develop capitation-based reimbursement rates for such classes of individuals entitled to benefits under part A and enrolled under part B of the Social Security Act as the Secretary shall determine. Such rates shall be applied in determining per capita rates of payment under paragraph (1) with respect to at least one eligible organization conducting a demonstration project under this section.

(4)(A) In the case of an eligible organization conducting a demonstration project under this section, the Secretary shall make monthly payments in advance and in accordance with the rate determined under paragraph (2) or (3), except as provided in subsection (e)(3)(B), to the organization for each individual enrolled with the organization.

(B) The amount of payment under paragraph (2) or (3) may be retroactively adjusted to take into account any difference between the actual number of individuals enrolled in the plan under this section and the number of such individuals estimated to be so enrolled in determining the amount of the advance payment.

(5) The payment to an eligible organization under this section for individuals enrolled under this section with the organization and entitled to benefits under part A and enrolled under part B of the Social Security Act shall be made from the Federal Hospital Insurance Trust Fund and the Federal Supplementary Medical Insurance Trust Fund established under such Act in such proportions from each such trust fund as the Secretary deems to be fair and equitable taking into consideration benefits attributable to such parts A and B, respectively.

101 STAT. 1330-125

(6) During any period in which an individual is enrolled with an eligible organization conducting a demonstration project under this section, only the eligible organization (and no other individual or person) shall be entitled to receive payments from the Secretary under this title for community nursing and ambulatory care (as defined in subsection (b)(1)) furnished to the individual.

(e) RESTRICTION ON PREMIUMS, DEDUCTIBLES, COPAYMENTS, AND COINSURANCE.—

(1) In no case may the portion of an eligible organization's premium rate and the actuarial value of its deductibles, coinsurance, and copayments charged (with respect to community nursing and ambulatory care) to individuals who are enrolled under this section with the organization, exceed the actuarial value of the coinsurance and deductibles that would be applicable on the average to individuals enrolled under this section with the organization (or, if the Secretary finds that adequate data are not available to determine that actuarial value, the actuarial value of the coinsurance and deductibles applicable on the average to individuals in the area, in the State, or in the United States, eligible to enroll under this section with the organization, or other appropriate data) and entitled to benefits under part A and enrolled under part B of the Social Security Act, if they were not members of an eligible organization.

(2) If the eligible organization provides to its members enrolled under this section services in addition to community nursing and ambulatory care, election of coverage for such additional services shall be optional for such members and such organization shall furnish such members with information on the portion of its premium rate or other charges applicable to such additional services. In no case may the sum of—

(A) the portion of such organization's premium rate charged, with respect to such additional services, to members enrolled under this section, and

(B) the actuarial value of its deductibles, coinsurance, and copayments charged, with respect to such services to such members

exceed the adjusted community rate for such services (as defined in section 1876(e)(3) of the Social Security Act).

(3)(A) Subject to subparagraphs (B) and (C), each agreement to conduct a demonstration project under this section shall provide that if—

(i) the adjusted community rate, referred to in paragraph (2), for community nursing and ambulatory care covered under parts A and B of title XVIII of the Social Security Act (as reduced for the actuarial value of the coinsurance and deductibles under those parts) for members enrolled under this section with the organization,

is less than

(ii) the average of the per capita rates of payment to be made under subsection (d)(1) at the beginning of the 12-month period (as determined on such basis as the Secretary determines appropriate) described in such subsection for members enrolled under this section with the organization, 101 STAT. 1330-126

the eligible organization shall provide to such members the additional benefits described in section 1876(g)(3) of the Social Security Act which are selected by the eligible organization and which the Secretary finds are at least equal in value to the difference between that average per capita payment and the adjusted community rate (as so reduced).

(B) Subparagraph (A) shall not apply with respect to any organization which elects to receive a lesser payment to the extent that there is no longer a difference between the average per capita payment and adjusted community rate (as so reduced).

(C) An organization conducting a demonstration project under this section may provide (with the approval of the Secretary) that a part of the value of such additional benefits under subparagraph (A) be withheld and reserved by the Secretary as provided in section 1876(g)(5) of the Social Security Act.

(4) The provisions of paragraphs (3), (5), and (6) of section 1876(g) of the Social Security Act shall apply in the same Contracts.

manner to agreements under this section as they apply to risk-sharing contracts under section 1876 of such Act, and, for this purpose, any reference in such paragraphs to paragraph (2) is deemed a reference to paragraph (3) of this subsection.

(5) Section 1876(e)(4) of the Social Security Act shall apply to eligible organizations under this section in the same manner as it applies to eligible organizations under section 1876 of such Act.

SEC. 4102. HOME AND COMMUNITY-BASED SERVICES FOR THE ELDERLY.

(a) IN GENERAL.—

(1) Section 1915 of the Social Security Act (42 U.S.C. 1396n) is amended—

(A) by transferring subsection (d) to the end of such section and redesignating it as subsection (h), and

(B) by inserting after subsection (c) the following new subsection:

"(d)(1) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this title shall include as 'medical assistance' under such plan payment for part or all of the cost of home or community-based services (other than room and board) which are provided pursuant to a written plan of care to individuals 65 years of age or older with respect to whom there has been a determination that but for the provision of such services the individuals would be likely to require the level of care provided in a skilled nursing facility or intermediate care facility the cost of which could be reimbursed under the State plan.

"(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

"(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

"(B) with respect to individuals 65 years of age or older who—

"(i) are entitled to medical assistance for skilled nursing or intermediate care facility services under the State plan,

"(ii) may require such services, and

"(iii) may be eligible for such home or community-based services under such waiver,

the State will provide for an evaluation of the need for such skilled nursing facility or intermediate care facility services; and

"(C) such individuals who are determined to be likely to require the level of care provided in a skilled nursing facility or intermediate care facility are informed of the feasible alternatives to the provision of skilled nursing facility or intermediate care facility services, which such individuals may choose if available under the waiver. 101 STAT. 1330-144

Each State with a waiver under this subsection shall provide to the Secretary annually, consistent with a reasonable data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

"(3) A waiver granted under this subsection may include a waiver of the requirements of section 1902(a)(1) (relating to statewideness), section 1902(a)(10)(B) (relating to comparability), and section 1902(a)(10)(C)(i)(III) (relating to income and resource rules applicable in the community). Subject to a termination by the State (with notice to the Secretary) at any time, a waiver under this subsection shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional 5-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under the waiver, that the maximum amount of the individual's income which may be disregarded for any month is equal to the amount that may be allowed for that purpose under a waiver under subsection (c).

"(4) A waiver under this subsection may, consistent with paragraph (2), provide medical assistance to individuals for case management services, homemaker/home health aide services and personal care services, adult day health services, respite care, and other

medical and social services that can contribute to the health and well-being of individuals and their ability to reside in a community-based care setting.

"(5)(A) In the case of a State having a waiver approved under this subsection, notwithstanding any other provision of section 1903 to the contrary, the total amount expended by the State for medical assistance with respect to skilled nursing facility services, intermediate care facility services, and home and community-based services under the State plan for individuals 65 years of age or older during a waiver year under this subsection may not exceed the projected amount determined under subparagraph (B).

"(B) For purposes of subparagraph (A), the projected amount under this subparagraph is the sum of the following:

"(i) The aggregate amount of the State's medical assistance under this title for skilled nursing facility services and intermediate care facility services furnished to individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years beginning after the base year and ending before the waiver year involved or the sum of—

"(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the base year and the waiver year involved, plus

"(II) the percentage increase between the base year and the waiver year involved in the number of residents in the State who have attained the age of 65, plus

"(III) 2 percent for each year beginning after the base year and ending before the waiver year.

101 STAT. 1330-145

"(II) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise home and community-based services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (ii)(I); and

"(III) a method for projecting, on a State specific basis, the percentage increase in the number of residents in each State who are over 75 years of age for any period.

Effective on and after the date the Secretary promulgates the regulation under clause (iii), any reference in this subparagraph to the 'lesser of 7 percent' shall be deemed to be a reference to the 'greater of 7 percent'.

"(C) In this paragraph:

"(i) The term 'home and community-based services' includes services described in sections 1905(a)(7) and 1905(a)(8), services described in subsection (c)(4)(B), services described in paragraph (4)(B), personal care services, and services furnished pursuant to a waiver under subsection (c).

"(II) For purposes of subparagraph (C), in the case of a State that does not report expenditures on the basis of the age categories described in such subparagraph for a year ending before the date of the enactment of this subsection, the term 'base year' means fiscal year 1989.

"(iii) The term 'intermediate care facility services' does not include services furnished in an institution certified in accordance with section 1905(d).

"(6)(A) A determination by the Secretary to deny a request for a waiver (or extension of waiver) under this subsection shall be subject to review to the extent provided under section 1116(b). 101 STAT. 1330-146

"(B) Notwithstanding any other provision of this Act, if the Secretary denies a request of the State for an extension of a waiver under this subsection, any waiver under this subsection in effect on the date such request is made shall remain in effect for a period of not less than 90 days after the date on which the Secretary denies such request (or, if the State seeks review of such determination in accordance with subparagraph (A), the date on which a final determination is made with respect to such review).".

(b) HOSPITALS DEEMED DISPROPORTIONATE SHARE.—

(1) For purposes of subsection (a)(1), a hospital which meets the requirement of subsection (d) is deemed to be a disproportionate share hospital if—

(A) the hospital's medicaid inpatient utilization rate (as defined in paragraph (2)) is at least one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State; or

(B) the hospital's low-income utilization rate (as defined in paragraph (3)) exceeds 25 percent.

(2) For purposes of paragraph (1)(A), the term "medicaid inpatient utilization rate" means, for a hospital, a fraction (expressed as a percentage), the numerator of which is the hospital's number of inpatient days attributable to patients who (for such days) were eligible for medical assistance under the State plan approved under title XIX of the Social Security Act in a period, and the denominator of which is the total number of the hospital's inpatient days in that period.

(3) For purposes of paragraph (1)(B), the term "low-income utilization rate" means, for a hospital, the sum of—

(A) the fraction (expressed as a percentage)—

(i) the numerator of which is the sum (for a period) of (I) the total revenues paid the hospital for patient services under a State plan under title XIX of the Social Security Act and (II) the amount of the cash subsidies for patient services received directly from State and local governments, and

(ii) the denominator of which is the total amount of revenues of the hospital for patient services (including the amount of such cash subsidies) in the period; and

(B) a fraction (expressed as a percentage)—

(i) the numerator of which is the total amount of the hospital's charges for inpatient hospital services which are attributable to charity care in a period, and

(ii) the denominator of which is the total amount of the hospital's charges for inpatient hospital services in the hospital in the period.

The numerator under subparagraph (B)(i) shall not include contractual allowances and discounts (other than for indigent patients not eligible for medical assistance under a State plan approved under title XIX of the Social Security Act).

(c) PAYMENT ADJUSTMENT.—In order to be consistent with this subsection, a payment adjustment for a disproportionate share hospital must either—

101 STAT. 1330-150

(1) be in an amount equal to the product of (A) the amount paid under the State plan to the hospital for operating costs for inpatient hospital services (of the kind described in section 1886(a)(4)), and (B) the hospital's disproportionate share adjustment percentage (established under section 1886(d)(5)(F)(iv)); or

(2) provide for a minimum specified additional payment amount (or increased percentage payment) and for an increase in such a payment amount (or percentage payment) in proportion to the percentage by which the hospital's medicaid utiliza-

tion rate (as defined in subsection (b)(2)) exceeds one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State;

except that, for purposes of paragraphs (2)(A) and (2)(B), the payment adjustment for a disproportionate share hospital is consistent with this subsection if the appropriate increase in the rate or amount of payment is equal to one-third of the increase otherwise applicable under subsection (c) (in the case of paragraph (2)(A)) and two-thirds of such increase (in the case of paragraph (2)(B)).

(d) REQUIREMENT TO [51] QUALIFY AS DISPROPORTIONATE SHARE HOSPITAL.—

(1) Except as provided in paragraph (2), no hospital may be defined or deemed as a disproportionate share hospital under a State plan under title XIX of the Social Security Act or under subsection (b) of this section unless the hospital has at least 2 obstetricians who have staff privileges at the hospital and who have agreed to provide obstetric services to individuals who are entitled to medical assistance for such services under such State plan.

(2)(A) Paragraph (1) shall not apply to a hospital—

(i) the inpatients of which are predominantly individuals under 18 years of age; or

(ii) which does not offer nonemergency obstetric services to the general population as of the date of the enactment of this Act.

(B) In the case of a hospital located in a rural area (as defined for purposes of section 1886 of the Social Security Act), in paragraph (1) the term "obstetrician" includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.

(e) SPECIAL RULE.—A State plan shall be considered to meet the requirement of section 1902(a)(13)(A) (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs) without regard to the requirement of subsection (a) if the plan provided for payment adjustments for disproportionate share hospitals as of January 1, 1984, and if the aggregate amount of the payment adjustments under the plan for such hospitals is not less than the aggregate amount of such adjustments otherwise required to be made under such subsection.

"(3) STATE APPEALS PROCESS FOR TRANSFERS.—The State, for transfers from skilled nursing facilities effected on or after October 1, 1990, must provide for a fair mechanism for hearing appeals on transfers of residents of such facilities. Such mechanism must meet the guidelines established by the Secretary under subsection (f)(3); but the failure of the Secretary to establish such guidelines shall not relieve any State of its responsibility to provide for such a fair mechanism.

"(ii) shall permit a State to find that an individual who has completed (before July 1, 1989) a nurse aide training and competency evaluation program shall be deemed to have completed such a program approved under subsection (b)(5) if the State determines that, at the time the program was offered, the program met the requirements for approval under such paragraph; and

101 STAT. 1330-173

"(iii) shall prohibit approval of such a program—

"(I) offered by or in a skilled nursing facility which has been determined to be out of compliance with the requirements of subsection (b), (c), or (d), within the previous 2 years, or

"(II) offered by or in a skilled nursing facility unless the State makes the determination, upon an individual's completion of the program, that the individual is competent to provide nursing and nursing-related services in skilled nursing facilities.

A State may not delegate its responsibility under clause (iii)(II) to the skilled nursing facility.

"(3) FEDERAL GUIDELINES FOR STATE APPEALS PROCESS FOR TRANSFERS.—For purposes of subsections (c)(2)(B)(iii)(I) and (e)(3), by not later than October 1, 1989, the Secretary shall establish guidelines for minimum standards which State appeals processes under subsection (e)(3) must meet to provide a fair mechanism for hearing appeals on transfers of residents from skilled nursing facilities.

"(7) In computing the rates of payment to be made under this subsection, there shall be taken into account the costs described in the last sentence of section 1861(v)(1)(E) (relating to compliance with nursing facility requirements and of conducting nurse aide training and competency evaluation programs and competency evaluation programs).".

(a) STATE REQUIREMENT FOR PROCESS.—Title XVIII of the Social Security Act is amended—

(1) in section 1864(d) (42 U.S.C. 1395aa(d)), as added by section 4201(a)(2) of this Act, by inserting before the period "and section 1819(g)", and

101 STAT. 1330-175

(2) in section 1819, as added by section 4201(a)(3) of this Act, by adding at the end the following new subsection:

"(g) SURVEY AND CERTIFICATION PROCESS.—

"(1) STATE AND FEDERAL RESPONSIBILITY.—

"(A) IN GENERAL.—Pursuant to an agreement under section 1864, each State shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of skilled nursing facilities (other than facilities of the State) with the requirements of subsections (b), (c), and (d). The Secretary shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of State skilled nursing facilities with the requirements of such subsections.

"(B) EDUCATIONAL PROGRAM.—Each State shall conduct periodic educational programs for the staff and residents (and their representatives) of skilled nursing facilities in order to present current regulations, procedures, and policies under this section.

"(C) INVESTIGATION OF ALLEGATIONS OF RESIDENT NEGLECT AND ABUSE AND MISAPPROPRIATION OF RESIDENT PROPERTY.—The State shall provide, through the agency responsible for surveys and certification of nursing facilities under this subsection, for a process for the receipt, review, and investigation of allegations of neglect and abuse and misappropriation of resident property by a nurse aide of a resident in a nursing facility. If the State finds, after notice to the nurse aide involved and a reasonable opportunity for a hearing for the nurse aide to rebut allegations, that a nurse aide whose name is contained in a nurse aide registry has

neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the nurse aide and the registry of such finding.

"(D) CONSTRUCTION.—The failure of the Secretary to establish standards under subsection (f) shall not relieve a State of its responsibility under this subsection.

"(2) SURVEYS.—

"(A) STANDARD SURVEY.—

"(i) IN GENERAL.—Each skilled nursing facility shall be subject to a standard survey, to be conducted without any prior notice to the facility. Any individual who notifies (or causes to be notified) a skilled nursing facility of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed $2,000. The Secretary shall provide for imposition of civil money penalties under this clause in a manner similar to that for the imposition of civil money penalties under section 1128A. The Secretary shall review each State's procedures for the scheduling and conduct of standard surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

"(ii) CONTENTS.—Each standard survey shall include, for a case-mix stratified sample of residents—

"(I) a survey of the quality of care furnished, as measured by indicators of medical, nursing, and rehabilitative care, dietary and nutrition services, activities and social participation, and sanitation, infection control, and the physical environment, 101 STAT. 1330-176

"(II) written plans of care provided under subsection (b)(2) and an audit of the residents' assessments under subsection (b)(3) to determine the accuracy of such assessments and the adequacy of such plans of care, and

"(III) a review of compliance with residents' rights under subsection (c).

"(iii) FREQUENCY.—

"(I) IN GENERAL.—Each skilled nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The Statewide average interval between standard surveys of skilled nursing facilities under this subsection shall not exceed 12 months.

"(II) SPECIAL SURVEYS.—If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a skilled nursing facility, or the director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

"(B) EXTENDED SURVEYS.—

"(i) IN GENERAL.—Each skilled nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

"(ii) TIMING.—The extended survey shall be conducted immediately after the standard survey (or, if not practical, not later than 2 weeks after the date of completion of the standard survey).

"(iii) CONTENTS.—In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d). Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

Contracts.

"(iv) CONSTRUCTION.—Nothing in this paragraph shall be construed as requiring an extended or partial extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) on the basis of findings in a standard survey.

"(C) SURVEY PROTOCOL.—Standard and extended surveys shall be conducted—

"(i) based upon a protocol which the Secretary has developed, tested, and validated by not later than October 1, 1990, and

101 STAT. 1330-177

"(ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

"(D) CONSISTENCY OF SURVEYS.—Each State and the Secretary shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

"(E) SURVEY TEAMS.—

"(i) IN GENERAL.—Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

"(ii) PROHIBITION OF CONFLICTS OF INTEREST.—A State may not use as a member of a survey team under this subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d), or who has a personal or familial financial interest in the facility being surveyed.

"(iii) TRAINING.—The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

"(3) VALIDATION SURVEYS.—

"(A) IN GENERAL.—The Secretary shall conduct onsite surveys of a representative sample of skilled nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual skilled nursing facility meets the requirements of subsections (b), (c), and (d), but the Secretary determines that the facility does not meet such requirements, the Secretary's determination as to the facility's noncompliance with such

requirements is binding and supersedes that of the State survey.

"(B) SCOPE.—With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of skilled nursing facilities surveyed by the State in the year, but in no case less than 5 skilled nursing facilities in the State.

"(C) REMEDIES FOR SUBSTANDARD PERFORMANCE.—If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph (2) or that a State's survey and certification performance otherwise is not adequate, the Secretary shall provide for an appropriate remedy, which may include the training of survey teams in the State. 101 STAT. 1330-178

[60] "(D) SPECIAL SURVEYS OF COMPLIANCE.—Where the Secretary has reason to question the compliance of a skilled nursing facility with any of the requirements of subsections (b), (c), and (d), the Secretary may conduct a survey of the facility and, on that basis, make independent and binding determinations concerning the extent to which the skilled nursing facility meets such requirements.

"(4) INVESTIGATION OF COMPLAINTS AND MONITORING COMPLIANCE.—Each State shall maintain procedures and adequate staff to—

"(A) investigate complaints of violations of requirements by skilled nursing facilities, and

"(B) monitor, on-site, on a regular, as needed basis, a skilled nursing facility's compliance with the requirements of subsections (b), (c), and (d), if—

"(i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;

"(ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to achieve such compliance, and verification of continued compliance is indicated; or

"(iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against chronically substandard skilled nursing facilities.

"(5) DISCLOSURE OF RESULTS OF INSPECTIONS AND ACTIVITIES.—

"(A) PUBLIC INFORMATION.—Each State, and the Secretary, shall make available to the public—

"(i) information respecting all surveys and certifications made respecting skilled nursing facilities, including statements of deficiencies and plans of correction,

"(ii) copies of cost reports of such facilities filed under this title or title XIX, Reports.

"(iii) copies of statements of ownership under section 1124, and

"(iv) information disclosed under section 1126.

"(B) NOTICE TO OMBUDSMAN.—Each State shall notify the State long-term care ombudsman (established under section 307(a)(12) of the Older Americans Act of 1965) of the State's findings of noncompliance with any of the requirements of subsections (b), (c), and (d), with respect to a skilled nursing facility in the State.

"(C) NOTICE TO PHYSICIANS AND SKILLED NURSING FACILITY ADMINISTRATOR LICENSING BOARD.—If a State finds that a

[60] Copy read "(C)".

101 STAT. 1330-179

skilled nursing facility has provided substandard quality of care, the State shall notify—

"(i) the attending physician of each resident with respect to which such finding is made, and

"(ii) the State board responsible for the licensing of the skilled nursing facility administrator at the facility.

"(D)[60a] ACCESS TO FRAUD CONTROL UNITS.—Each State shall provide its State medicaid fraud and abuse control unit (established under section 1903(q)) with access to all information of the State agency responsible for surveys and certifications under this subsection.".

(c) POSTING SURVEY RESULTS.—Section 1864(a) of such Act (42 U.S.C. 1395aa(a)) is amended by inserting, after "readily available form and place" in the fifth sentence, the following: ", and require (in the case of skilled nursing facilities) the posting in a place readily accessible to patients (and patients' representatives),".

SEC. 4203. ENFORCEMENT PROCESS.

(a) STATE REQUIREMENT.—Title XVIII of the Social Security Act is amended—

(1) in section 1864(d) (42 U.S.C. 1395aa(d)), as added by section 4201(a)(2) and as amended by section 4202(a)(1) of this Act, by inserting before the period at the end the following: "and the establishment of remedies under sections 1819(h)(2)(B) and 1819(h)(2)(C) (relating to establishment and application of remedies)"; and

(2) by adding at the end of section 1819 of such Act, as added by section 4201(a)(3) and as amended by section 4202(a)(2), the end the following new subsection:

"(h) ENFORCEMENT PROCESS.—

"(1) IN GENERAL.—If a State finds, on the basis of a standard, extended, or partial extended survey under subsection (g)(2) or otherwise, that a skilled nursing facility no longer meets a requirement of subsection (b), (c), or (d), and further finds that the facility's deficiencies—

"(A) immediately jeopardize the health or safety of its residents, the State shall recommend to the Secretary that the Secretary take such action as described in paragraph (2)(A)(i); or

"(B) do not immediately jeopardize the health or safety of its residents, the State may recommend to the Secretary that the Secretary take such action as described in paragraph (2)(A)(ii).

If a State finds that a skilled nursing facility meets the requirements of subsections (b), (c), and (d), but, as of a previous period, did not meet such requirements, the State may recommend a civil money penalty under paragraph (2)(B)(ii) for the days in which it finds that the facility was not in compliance with such requirements.

"(2) SECRETARIAL AUTHORITY.—

"(A) IN GENERAL.—With respect to any skilled nursing facility in a State, if the Secretary finds, or pursuant to a recommendation of the State under paragraph (1) finds, that a skilled nursing facility no longer meets a requirement of subsection (b), (c), (d), or (e), and further finds that the facility's deficiencies—

101 STAT. 1330-180

"(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (B)(iii), or terminate the facility's participation under this title and may provide, in addition, for one or more of the other remedies described in subparagraph (B); or

[60a] Copy read " "(C)".

"(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (B).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a skilled nursing facility's deficiencies. If the Secretary finds, or pursuant to the recommendation of the State under paragraph (1) finds, that a skilled nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (B)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

"(B) SPECIFIED REMEDIES.—The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

"(i) DENIAL OF PAYMENT.—The Secretary may deny any further payments under this title with respect to all individuals entitled to benefits under this title in the facility or with respect to such individuals admitted to the facility after the effective date of the finding.

"(ii) AUTHORITY WITH RESPECT TO CIVIL MONEY PENALTIES.—The Secretary may impose a civil money penalty in an amount not to exceed $10,000 for each day of noncompliance and the Secretary shall impose and collect such a penalty in the same manner as civil money penalties are imposed and collected under section 1128A.

"(iii) APPOINTMENT OF TEMPORARY MANAGEMENT.—In consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

"(I) there is an orderly closure of the facility, or

"(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subclause (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d).

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

101 STAT. 1330-181

"(C) CONTINUATION OF PAYMENTS PENDING REMEDIATION.—The Secretary may continue payments, over a period of not longer than 6 months, under this title with respect to a skilled nursing facility not in compliance with a requirement of subsection (b), (c), or (d), if—

"(i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility,

"(ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

"(iii) the facility agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

"(D) ASSURING PROMPT COMPLIANCE.—If a skilled nursing facility has not complied with any of the requirements of subsections (b), (c), and (d), within 3 months after the date the facility is found to be out of compliance with such requirements, the Secretary shall impose the remedy described in subparagraph (B)(i) for all individuals who are admitted to the facility after such date.

"(E) REPEATED NONCOMPLIANCE.—In the case of a skilled nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2), has been found to have provided substandard quality of care, the Secretary shall (regardless of what other remedies are provided)—

"(i) impose the remedy described in subparagraph (B)(i), and

"(ii) monitor the facility under subsection (g)(4)(B), until the facility has demonstrated, to the satisfaction of the Secretary, that it is in compliance with the requirements of subsections (b), (c), and (d), and that it will remain in compliance with such requirements.

"(3) EFFECTIVE PERIOD OF DENIAL OF PAYMENT.—A finding to deny payment under this subsection shall terminate when the Secretary finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d).

"(4) IMMEDIATE TERMINATION OF PARTICIPATION FOR FACILITY WHERE SECRETARY FINDS NONCOMPLIANCE AND IMMEDIATE JEOPARDY.—If the Secretary finds that a skilled nursing facility has not met a requirement of subsection (b), (c), or (d), and finds that the failure immediately jeopardizes the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(B)(iii), or the Secretary shall terminate the facility's participation under this title. If the facility's participation under this title is terminated, the State shall provide for the safe and orderly transfer of the residents eligible under this title consistent with the requirements of subsection (c)(2).

101 STAT. 1330-182

"(5) CONSTRUCTION.—The remedies provided under this subsection are in addition to those otherwise available under State or Federal law and shall not be construed as limiting such other remedies, including any remedy available to an individual at common law. The remedies described in clauses (i), (iii), and (iv) of paragraph (2)(A) may be imposed during the pendency of any hearing.

"(6) SHARING OF INFORMATION.—Notwithstanding any other provision of law, all information concerning skilled nursing facilities required by this section to be filed with the Secretary or a State agency shall be made available to Federal or State employees for purposes consistent with the effective administration of programs established under this title and title XIX, including investigations by State medicaid fraud control units.".

SEC. 4204. EFFECTIVE DATES.

(a) NEW REQUIREMENTS AND SURVEY AND CERTIFICATION PROCESS.—Except as otherwise specifically provided in section 1819 of the Social Security Act, the amendments made by this part shall apply to extended care services furnished on or after October 1, 1990, without regard to whether regulations to implement such amendments are promulgated by such date.

(b) WAIVER OF PAPERWORK REDUCTION.—Chapter 35 of title 44, United States Code, shall not apply to information required for purposes of carrying out this part and implementing the amendments made by this part.

"(ii) is mentally retarded (as defined in subsection (e)(7)(G)(ii)) unless the State mental retardation or developmental disability authority has determined prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires active treatment for mental retardation.

"(4) PROVISION OF SERVICES AND ACTIVITIES.—

"(IV) regardless of the resident's choice, provide for (or arrange for the provision of) such active treatment for the mental illness or mental retardation.

A State shall not be denied payment under this title for nursing facility services for a resident described in this clause because the resident does not require the level of services provided by such a facility, if the resident chooses to remain in such a facility.

"(ii) OTHER RESIDENTS NOT REQUIRING NURSING FACILITY SERVICES, BUT REQUIRING ACTIVE TREATMENT.—In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility, but to require active treatment for mental illness or mental retardation, and who has not continuously resided in a nursing facility for at least 30 months before the date of the determination, the State must, in consultation with the resident's family or legal representative and care-givers—

"(iii) FREQUENCY.—

101 STAT. 1330-209

"(I) IN GENERAL.—Each nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The statewide [69] average interval between standard surveys of a nursing facility shall not exceed 12 months.

"(II) SPECIAL SURVEYS.—If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a nursing facility, or director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

"(B) EXTENDED SURVEYS.—

"(i) IN GENERAL.—Each nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

"(ii) TIMING.—The extended survey shall be conducted immediately after the standard survey (or, if not practical, not later than 2 weeks after the date of completion of the standard survey).

"(iii) CONTENTS.—In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d). Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

"(iv) CONSTRUCTION.—Nothing in this paragraph shall be construed as requiring an extended or partial extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) on the basis of findings in a standard survey.

"(C) SURVEY PROTOCOL.—Standard and extended surveys shall be conducted—

"(i) based upon a protocol which the Secretary has developed, tested, and validated by not later than January 1, 1990, and

"(ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

101 STAT. 1330-210

"(D) CONSISTENCY OF SURVEYS.—Each State shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

"(E) SURVEY TEAMS.—

"(i) IN GENERAL.—Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

"(ii) PROHIBITION OF CONFLICTS OF INTEREST.—A State may not use as a member of a survey team under this

subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d), or who has a personal or familial financial interest in the facility being surveyed.

"(iii) TRAINING.—The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

"(3) VALIDATION SURVEYS.—

"(A) IN GENERAL.—The Secretary shall conduct onsite surveys of a representative sample of nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual nursing facility meets the requirements of subsections (b), (c), and (d), but the Secretary determines that the facility does not meet such requirements, the Secretary's determination as to the facility's noncompliance with such requirements is binding and supersedes that of the State survey.

"(B) SCOPE.—With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of nursing facilities surveyed by the State in the year, but in no case less than 5 nursing facilities in the State.

"(C) REDUCTION IN ADMINISTRATIVE COSTS FOR SUBSTANDARD PERFORMANCE.—If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph (2) or that a State's survey and certification performance otherwise is not adequate, the Secretary may provide for the training of survey teams in the State and shall provide for a reduction of the payment otherwise made to the State under section 1903(a)(2)(D) with respect to a quarter equal to 33 percent multiplied by a fraction, the denominator of which is equal to the total number of residents in nursing facilities surveyed by the Secretary that quarter and the numerator of which is equal to the total number of residents in nursing facilities which were found pursuant to such surveys to be not in compliance with any of the requirements of subsections (b), (c), and (d). A State that is dissatisfied with the Secretary's findings under this subparagraph may obtain reconsideration and review of the findings under section 1116 in the same manner as a State may seek reconsideration and review under that section of the Secretary's determination under section 1116(a)(1). 101 STAT. 1330-211

"(C) SPECIAL SURVEYS OF COMPLIANCE.—Where the Secretary has reason to question the compliance of a nursing facility with any of the requirements of subsections (b), (c), and (d), the Secretary may conduct a survey of the facility and, on that basis, make independent and binding determinations concerning the extent to which the nursing facility meets such requirements.

"(4) INVESTIGATION OF COMPLAINTS AND MONITORING NURSING FACILITY COMPLIANCE.—Each State shall maintain procedures and adequate staff to—

"(A) investigate complaints of violations of requirements by nursing facilities, and

"(B) monitor, on-site, on a regular, as needed basis, a nursing facility's compliance with the requirements of subsections (b), (c), and (d), if—

"(i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;

"(ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to achieve such compliance, and verification of continued compliance is indicated; or

"(iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against chronically substandard nursing facilities.

"(5) DISCLOSURE OF RESULTS OF INSPECTIONS AND ACTIVITIES.—

"(A) PUBLIC INFORMATION.—Each State, and the Secretary, shall make available to the public—

"(i) information respecting all surveys and certifications made respecting nursing facilities, including statements of deficiencies and plans of correction,

"(ii) copies of cost reports of such facilities filed under this title or under title XVIII,

"(iii) copies of statements of ownership under section 1124, and

"(iv) information disclosed under section 1126.

"(B) NOTICE TO OMBUDSMAN.— Each State shall notify the State long-term care ombudsman (established under section 307(a)(12) of the Older Americans Act of 1965) of the State's findings of noncompliance with any of the requirements of subsections (b), (c), and (d), with respect to a nursing facility in the State.

"(C) NOTICE TO PHYSICIANS AND NURSING FACILITY ADMINISTRATOR LICENSING BOARD.—If a State finds that a nursing facility has provided substandard quality of care, the State shall notify—

101 STAT. 1330-212

"(i) the attending physician of each resident with respect to which such finding is made, and

"(ii) any State board responsible for the licensing of the nursing facility administrator of the facility.

"(D) ACCESS TO FRAUD CONTROL UNITS.—Each State shall provide its State medicaid fraud and abuse control unit (established under section 1903(q)) with access to all information of the State agency responsible for surveys and certifications under this subsection.".

(b) POSTING SURVEY RESULTS.—Section 1864(a) of such Act (42 U.S.C. 1395aa(a)) is amended by inserting, after "readily available form and place" in the fifth sentence, the following: ", and require (in the case of skilled nursing facilities) the posting in a place readily accessible to patients (and patients' representatives),".

"(ii) fiscal year 1992, an amount equal to 85 percent,

"(iii) fiscal year 1993, an amount equal to 80 percent, and

(a) IN GENERAL.—Section 1919 of the Social Security Act, as inserted by section 4201 and amended by section 4202, is further amended by adding at the end the following new subsection:

"(h) ENFORCEMENT PROCESS.—

"(1) IN GENERAL.—If a State finds, on the basis of a standard, extended, or partial extended survey under subsection (g)(2) or otherwise, that a nursing facility no longer meets a requirement of subsection (b), (c), or (d), and further finds that the facility's deficiencies—

101 STAT. 1330–214

"(A) immediately jeopardize the health or safety of its residents, the State shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in paragraph (2); or

"(B) do not immediately jeopardize the health or safety of its residents, the State may—

"(i) terminate the facility's participation under the State plan,

"(ii) provide for one or more of the remedies described in paragraph (2), or

"(iii) do both.

Nothing in this paragraph shall be construed as restricting the remedies available to a State to remedy a nursing facility's deficiencies. If a State finds that a nursing facility meets the requirements of subsections (b), (c), and (d), but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2)(A)(i) for the days in which it finds that the facility was not in compliance with such requirements.

Regulations.

"(2) SPECIFIED REMEDIES.—

"(A) LISTING.—Except as provided in subparagraph (B)(ii), each State shall establish by law (whether statute or regulation) at least the following remedies:

"(i) Denial of payment under the State plan with respect to any individual admitted to the nursing facility involved after such notice to the public and to the facility as may be provided for by the State.

"(ii) A civil money penalty assessed and collected, with interest, for each day in which the facility is or was out of compliance with a requirement of subsection (b), (c), or (d). Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty for activities described in subsections (b)(3)(B)(ii)(I), (b)(3)(B)(ii)(II), or (g)(2)(A)(i)) shall be applied to the protection of the health or property of residents of nursing facilities that the State or the Secretary finds deficient, including payment for the costs of relocation

of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

"(iii) The appointment of temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

"(I) there is an orderly closure of the facility, or

"(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subclause (II) until the State has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d). 101 STAT. 1330-215

"(iv) The authority, in the case of an emergency, to close the facility, to transfer residents in that facility to other facilities, or both.

The State also shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the State may provide for other specified remedies, such as directed plans of correction.

"(B) DEADLINE AND GUIDANCE.—(i) Except as provided in clause (ii), as a condition for approval of a State plan for calendar quarters beginning on or after October 1, 1989, each State shall establish the remedies described in clauses (i) through (iv) of subparagraph (A) by not later than October 1, 1989. The Secretary shall provide, through regulations or otherwise by not later than October 1, 1988, guidance to States in establishing such remedies; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for establishing such remedies. Regulations.

"(ii) A State may establish alternative remedies (other than termination of participation) other than those described in clauses (i) through (iv) of subparagraph (A), if the State demonstrates to the Secretary's satisfaction that the alternative remedies are as effective in deterring noncompliance and correcting deficiencies as those described in subparagraph (A).

"(C) ASSURING PROMPT COMPLIANCE.—If a nursing facility has not complied with any of the requirements of subsections (b), (c), and (d), within 3 months after the date the facility is found to be out of compliance with such requirements, the State shall impose the remedy described in subparagraph (A)(i) for all individuals who are admitted to the facility after such date.

"(D) REPEATED NONCOMPLIANCE.—In the case of a nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2), has been found to have provided substandard quality of care, the State shall (regardless of what other remedies are provided)—

"(i) impose the remedy described in subparagraph (A)(i), and

"(ii) monitor the facility under subsection (g)(4)(B), until the facility has demonstrated, to the satisfaction of the State, that it is in compliance with the requirements of

subsections (b), (c), and (d), and that it will remain in compliance with such requirements.

"(E) FUNDING.—The reasonable expenditures of a State to provide for temporary management and other expenses associated with implementing the remedies described in clauses (iii) and (iv) of subparagraph (A) shall be considered, for purposes of section 1903(a)(7), to be necessary for the proper and efficient administration of the State plan.

"(F) INCENTIVES FOR HIGH QUALITY CARE.—In addition to the remedies specified in this paragraph, a State may establish a program to reward, through public recognition, incentive payments, or both, nursing facilities that provide the highest quality care to residents who are entitled to medical assistance under this title. For purposes of section 1903(a)(7), proper expenses incurred by a State in carrying out such a program shall be considered to be expenses necessary for the proper and efficient administration of the State plan under this title.

"(3) SECRETARIAL AUTHORITY.—

"(A) FOR STATE NURSING FACILITIES.—With respect to a State nursing facility, the Secretary shall have the authority and duties of a State under this subsection, including the authority to impose remedies described in clauses (i), (ii), and (iii) of paragraph (2)(A).

"(B) OTHER NURSING FACILITIES.—With respect to any other nursing facility in a State, if the Secretary finds that a nursing facility no longer meets a requirement of subsection (b), (c), (d), or (e), and further finds that the facility's deficiencies—

"(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (C)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in subparagraph (C); or

"(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (C).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a nursing facility's deficiencies. If the Secretary finds that a nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (C)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

"(C) SPECIFIED REMEDIES.—The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

"(i) DENIAL OF PAYMENT.—The Secretary may deny any further payments to the State for medical assistance furnished by the facility to all individuals in the facility or to individuals admitted to the facility after the effective date of the finding.

"(ii) AUTHORITY WITH RESPECT TO CIVIL MONEY PENALTIES.—The Secretary may impose a civil money penalty in an amount not to exceed $10,000 for each day of noncompliance and the Secretary shall impose and collect such a penalty in the same manner as civil money penalties are imposed and collected under section 1128A.

"(iii) APPOINTMENT OF TEMPORARY MANAGEMENT.—In 101 STAT. 1330-217
consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

"(I) there is an orderly closure of the facility, or

"(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d).

The temporary management under this clause shall not be terminated under subclause (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d).

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

"(D) CONTINUATION OF PAYMENTS PENDING REMEDIATION.—The Secretary may continue payments, over a period of not longer than 6 months, under this title with respect to a nursing facility not in compliance with a requirement of subsection (b), (c), or (d), if—

"(i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility,

"(ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

"(iii) the State agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

"(4) EFFECTIVE PERIOD OF DENIAL OF PAYMENT.—A finding to deny payment under this subsection shall terminate when the State or Secretary (or both, as the case may be) finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d).

"(5) IMMEDIATE TERMINATION OF PARTICIPATION FOR FACILITY WHERE STATE OR SECRETARY FINDS NONCOMPLIANCE AND IMMEDIATE JEOPARDY.—If either the State or the Secretary finds that a nursing facility has not met a requirement of subsection (b), (c), or (d), and finds that the failure immediately jeopardizes the health or safety of its residents, the State and the Secretary shall notify the other of such finding, and the State or the Secretary, respectively, shall take immediate action to remove 101 STAT. 1330-218
the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii) or (3)(C)(iii), or terminate the facility's participation under the State plan. If the facility's participation in the State plan is terminated by either the State or the Secretary, the State shall provide for the safe and orderly transfer of the residents eligible under the State plan consistent with the requirements of subsection (c)(2).

"(6) SPECIAL RULES WHERE STATE AND SECRETARY DO NOT AGREE ON FINDING OF NONCOMPLIANCE.—

"(A) STATE FINDING OF NONCOMPLIANCE AND NO SECRETARIAL FINDING OF NONCOMPLIANCE.—If the Secretary finds that a nursing facility has met all the requirements of subsections (b), (c), and (d), but a State finds that the facility has not met such requirements and the failure does not immediately jeopardize the health or safety of its residents, the State's findings shall control and the remedies imposed by the State shall be applied.

"(B) SECRETARIAL FINDING OF NONCOMPLIANCE AND NO STATE FINDING OF NONCOMPLIANCE.—If the Secretary finds that a nursing facility has not met all the requirements of subsections (b), (c), and (d), and that the failure does not immediately jeopardize the health or safety of its residents, but the State has not made such a finding, the Secretary—

"(i) may impose any remedies specified in paragraph (3)(C) with respect to the facility, and

"(ii) shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3)(D).

"(7) SPECIAL RULES FOR TIMING OF TERMINATION OF PARTICIPATION WHERE REMEDIES OVERLAP.—If both the Secretary and the State find that a nursing facility has not met all the requirements of subsections (b), (c), and (d), and neither finds that the failure immediately jeopardizes the health or safety of its residents—

"(A)(i) if both find that the facility's participation under the State plan should be terminated, the State's timing of any termination shall control so long as the termination date does not occur later than 6 months after the date of the finding to terminate;

"(ii) if the Secretary, but not the State, finds that the facility's participation under the State plan should be terminated, the Secretary shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3)(D); or

"(iii) if the State, but not the Secretary, finds that the facility's participation under the State plan should be terminated, the State's decision to terminate, and timing of such termination, shall control; and

"(B)(i) if the Secretary or the State, but not both, establishes one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the State plan, such additional or alternative remedies shall also be applied, or

"(ii) if both the Secretary and the State establish one or more remedies which are additional or alternative to the remedy of terminating the facility's participation under the State plan, only the additional or alternative remedies of the Secretary shall apply.

101 STAT. 1330-219

"(8) CONSTRUCTION.—The remedies provided under this subsection are in addition to those otherwise available under State or Federal law and shall not be construed as limiting such other remedies, including any remedy available to an individual at common law. The remedies described in clauses (i), (iii), and (iv) of paragraph (2)(A) may be imposed during the pendency of any hearing.

"(9) SHARING OF INFORMATION.—Notwithstanding any other provision of law, all information concerning nursing facilities required by this section to be filed with the Secretary or a State agency shall be made available to Federal or State employees for purposes consistent with the effective administration of programs established under this title and title XVIII, including investigations by State medicaid fraud control units.".

"(3) For purposes of complying with the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) and this section, the Secretary need not consider alternate sites to the Yucca Mountain site for the repository to be developed under this subtitle.

"(4) Any environmental impact statement prepared in connection with a repository proposed to be constructed by the Secretary under this subtitle shall, to the extent practicable, be adopted by the Commission in connection with the issuance by the Commission of a construction authorization and license for such repository. To the extent such statement is adopted by the Commission, such adoption shall be deemed to also satisfy the responsibilities of the Commission under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) and no further consideration shall be required, except that nothing in this subsection shall affect any independent responsibilities of the Commission to protect the public health and safety under the Atomic Energy Act of 1954 (42 U.S.C. 2011 et seq.). 101 STAT. 1330-231

"(5) Nothing in this Act shall be construed to amend or otherwise detract from the licensing requirements of the Nuclear Regulatory Commission established in title II of the Energy Reorganization Act of 1974 (42 U.S.C. 5841 et seq.).

"(6) In any such statement prepared with respect to the repository to be constructed under this subtitle, the Nuclear Regulatory Commission need not consider the need for a repository, the time of initial availability of a repository, alternate sites to the Yucca Mountain site, or nongeologic alternatives to such site.".

(m) ON-SITE REPRESENTATIVE.—Section 117 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10137) is amended by adding at the end the following new subsection:

"(d) ADDITIONAL SITING CRITERIA.—In the event that the Secretary at any time after such date of enactment considers any sites in

crystalline rock for characterization or selection as a repository, the Secretary shall consider (as a supplement to the siting guidelines under section 112) such potentially disqualifying factors as—

"(1) seasonal increases in population;

"(2) proximity to public drinking water supplies, including those of metropolitan areas; and

"(2) In preparing the report and making its recommendation under paragraph (1) the MRS Commission shall compare such a facility to the alternative of at-reactor storage of spent nuclear fuel prior to disposal of such fuel in a repository under this Act. Such comparison shall take into consideration the impact on—

"(A) repository design and construction;

"(B) waste package design, fabrication and standardization;

"(C) waste preparation;

Unless prohibited by law, such agency shall promptly furnish such assistance or information.

"(iii) To the extent permitted by law, the Administrator of the General Services Administration shall, upon request of the MRS Commission, provide the MRS Commission with necessary administrative services, facilities, and support on a reimbursable basis.

"(iv) The MRS Commission may procure temporary and intermittent services from experts and consultants to the same extent as is authorized by section 3109(b) of title 5, United States Code, at rates and under such rules as the MRS Commission considers reasonable. 101 STAT. 1330-234

"(C) The MRS Commission shall cease to exist 60 days after the submission to Congress of the report required under this subsection.

"SURVEY

"SEC. 144. After the MRS Commission submits its report to the Congress under section 143, the Secretary may conduct a survey and 42 USC 10164.

evaluation of potentially suitable sites for a monitored retrievable storage facility. In conducting such survey and evaluation, the Secretary shall consider the extent to which siting a monitored retrievable storage facility at each site surveyed would—

"(1) enhance the reliability and flexibility of the system for the disposal of spent nuclear fuel and high-level radioactive waste established under this Act;

30 USC 181 note.

(a) SHORT TITLE.—This subtitle may be cited as the "Federal Onshore Oil and Gas Leasing Reform Act of 1987".

(b) REFERENCES.—Any reference in this subtitle to the "Act of February 25, 1920", is a reference to the Act of February 25, 1920, entitled "An Act to promote the mining of coal, phosphate, oil, oil shale, gas, and sodium on the public domain" (30 U.S.C. 181 and following).

SEC. 5102. OIL AND GAS LEASING SYSTEM.

(a) COMPETITIVE BIDDING.—Section 17(b)(1) of the Act of February 25, 1920 (30 U.S.C. 226(b)(1)), is amended to read as follows:

"(b)(1)(A) All lands to be leased which are not subject to leasing under paragraph (2) of this subsection shall be leased as provided in this paragraph to the highest responsible qualified bidder by competitive bidding under general regulations in units of not more than 2,560 acres, except in Alaska, where units shall be not more than 5,760 acres. Such units shall be as nearly compact as possible. Lease sales shall be conducted by oral bidding. Lease sales shall be held for each State where eligible lands are available at least quarterly and more frequently if the Secretary of the Interior determines such sales are necessary. A lease shall be conditioned upon the payment of a royalty at a rate of not less than 12.5 percent in amount or value of the production removed or sold from the lease. The Secretary shall accept the highest bid from a responsible qualified bidder which is equal to or greater than the national minimum acceptable bid, without evaluation of the value of the lands proposed for lease. Leases shall be issued within 60 days following payment by the successful bidder of the remainder of the bonus bid, if any, and the annual rental for the first lease year. All bids for less than the national minimum acceptable bid shall be rejected. Lands for which no bids are received or for which the highest bid is less than the national minimum acceptable bid shall be offered promptly within 30 days for leasing under subsection (c) of this section and shall remain available for leasing for a period of 2 years after the competitive lease sale.

"(B) The national minimum acceptable bid shall be $2 per acre for a period of 2 years from the date of enactment of the Federal Onshore Oil and Gas Leasing Reform Act of 1987. Thereafter, the Secretary may establish by regulation a higher national minimum acceptable bid for all leases based upon a finding that such action is necessary: (i) to enhance financial returns to the United States; and (ii) to promote more efficient management of oil and gas resources on Federal lands. Ninety days before the Secretary makes any change in the national minimum acceptable bid, the Secretary shall notify the Committee on Interior and Insular Affairs of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate. The proposal or promulgation of any regulation to establish a national minimum acceptable bid shall not be considered a major Federal action subject to the requirements of section 102(2)(C) of the National Environmental Policy Act of 1969.".

A lease under this subsection shall be conditioned upon the payment of a royalty at a rate of 12.5 percent in amount or value of the production removed or sold from the lease. Leases shall be issued within 60 days of the date on which the Secretary identifies the first responsible qualified applicant.

"(2)(A) Lands (i) which were posted for sale under subsection (b)(1) of this section but for which no bids were received or for which the highest bid was less than the national minimum acceptable bid and (ii) for which, at the end of the period referred to in subsection (b)(1) of this section no lease has been issued and no lease application is pending under paragraph (1) of this subsection, shall again be available for leasing only in accordance with subsection (b)(1) of this section.

"(d) All leases issued under this section, as amended by the Federal Onshore Oil and Gas Leasing Reform Act of 1987, shall be conditioned upon payment by the lessee of a rental of not less than $1.50 per acre per year for the first through fifth years of the lease and not less than $2 per acre per year for each year thereafter. A minimum royalty in lieu of rental of not less than the rental which otherwise would be required for that lease year shall be payable at the expiration of each lease year beginning on or after a discovery of oil or gas in paying quantities on the lands leased.".

SEC. 9121. DEMONSTRATION OF FAMILY INDEPENDENCE PROGRAM.

(a) IN GENERAL.—Upon application of the State of Washington and approval by the Secretary of Health and Human Services, the State of Washington (in this section referred to as the "State") may conduct a demonstration project in accordance with this section for the purpose of testing whether the operation of its Family Independence Program enacted in May 1987 (in this section referred to as the "Program"), as an alternative to the AFDC program under title IV of the Social Security Act, would more effectively break the cycle of poverty and provide families with opportunities for economic independence and strengthened family functioning.

(b) NATURE OF PROJECT.—Under the demonstration project conducted under this section—

(1) every individual eligible for aid under the State plan approved under section 402(a) of the Social Security Act shall be eligible to enroll in the Program, which shall operate simultaneously with the AFDC program so long as there are individuals who qualify for the latter;

(2) cash assistance shall be furnished in a timely manner to all eligible individuals under the Program (and the State may not make expenditures for services under the Program until it has paid all necessary cash assistance), with no family receiving less in cash benefits than it would have received under the AFDC program;

(3) individuals may be required to register, undergo assessment, and participate in work, education, or training under the Program, except that—

(A) work or training may not be required in the case of—

(i) a single parent of a child under six months of age, or more than one parent of such a child in a two-parent family,

(ii) a single parent with a child of any age who has received assistance for less than six months,

(iii) a single parent with a child under three years of age who has received assistance for less than three years,

(iv) an individual under 16 years of age or over 64 years of age,

(v) an individual who is incapacitated, temporarily ill, or needed at home to care for an impaired person, or

(vi) an individual who has not yet been individually notified in writing of such requirement or of the expiration of his or her exempt status under this subparagraph;

(B) participation in work or training shall in any case be voluntary during the first two years of the Program, and may thereafter be made mandatory only in counties where more than 50 percent of the enrollees can be placed in employment within three months after they are job ready;

(C) in no case shall the work and training aspect of the Program be mandated in any county where the unemployment level is at least twice the State average; and

(D) mandated work shall not include work in any position created by a reduction in the work force, a bona fide labor dispute, the decertification of a bargaining unit, or a new job classification which subverts the intention of the Program;

(4) there shall be no change in existing State law which would eliminate guaranteed benefits or reduce the rights of applicants or enrollees; and

(5) the Program shall include due process guarantees and procedures no less than those which are available to participants in the AFDC program under Federal law and regulation and under State law.

(c) WAIVERS.—The Secretary shall (with respect to the project under this section) waive compliance with any requirements contained in title IV of the Social Security Act which (if applied) would prevent the State from carrying out the project or effectively achieving its purpose, or with the requirements of sections 1902(a)(1), 1902(e)(1), and 1916 of that Act (but only to the extent necessary to enable the State to carry out the Program [92] as enacted by the State in April 1987).

(d) FUNDING.—

(1) The Secretary, under section 403(b) or 1903(d) of the Social Security Act, shall reimburse the State for its expenditures under the Program—

(A) at a rate equal to the Federal matching rate applicable to the State under section 403(a)(1) (or 1118) of the Social Security Act, for cash assistance, medical assistance, and child care provided to enrollees;

(B) at a rate equal to the applicable Federal matching rate under section 403(a)(3) of such Act, for administrative expenses; and

(C) at the rate of 75 percent for an evaluation plan approved by the Secretary.

(2) As a condition of approval of the project under this section, the State must provide assurances satisfactory to the Secretary that the total amount of Federal reimbursement over the period of the project will not exceed the anticipated Federal reimbursements (over that period) under the AFDC and Medicaid programs; but this paragraph shall not prevent the State from claiming reimbursement for additional persons who would qualify for assistance under the AFDC program, for costs attributable to increases in the State's payment standard, or for any other federally-matched benefits or services.

(e) EVALUATION.—The State must satisfy the Secretary that the Program [93] will be evaluated using a reasonable methodology.

(f) DURATION OF PROJECT.—

(1) The project under this section shall begin on the date on which the first individual is enrolled in the Program and (subject to paragraph (2)) shall end five years after that date.

(2) The project may be terminated at any time, on six months written notice, by the State or (upon a finding that the State has materially failed to comply with this section) by the Secretary.

(4) the Appropriations Committee of the House of Representatives, in its fiscal year 1988 Internal Revenue Service appropriation, took a step in the direction of providing additional funding for taxpayer assistance and enforcement efforts.

(b) It is the sense of the Congress that:

(1) The Congress increase outlays for the Internal Revenue Service in fiscal year 1989 and fiscal year 1990 in the areas of taxpayer assistance and enforcement by $.7 billion in fiscal year 1989 for a revenue total of $3.2 billion and by $.8 billion in fiscal year 1990 for a revenue total of $4.4 billion. The net revenue increase would be $2.5 billion in fiscal year 1989 and $3.6 billion in fiscal year 1990, or a net revenue increase over the House

Appropriations Committee recommendations of $.4 billion in fiscal year 1989 and $1.3 billion in fiscal year 1990. 101 STAT. 1330-453

(2) The Internal Revenue Service offer improved taxpayer assistance and enforcement efforts by using the aforementioned outlays in areas recommended by, or consistent with the recommendations of, the "Dorgan Task Force Report". Taxpayer assistance efforts would include providing expanded taxpayer education programs, instituting pilot programs of taxmobiles in rural areas, and upgrading the quality of telephone assistance. Taxpayer enforcement efforts would include raising the audit rate from 1.1 percent toward 2.5 percent, restoring resources to criminal investigations, and the collection of delinquent accounts.

(3) The Congress should undertake an experimental multiyear authorization and 2-year appropriation for the Internal Revenue Service consistent with the recommendations in Public Law 100-119, section [127] 201 (Increasing the Statutory Limit on the Public Debt).

(4) Increased funding should be provided for compilation and analysis of statistics of income and research.

Reports.

The Internal Revenue Service must issue a report on the extent of the tax gap and the measures that could be undertaken to decrease the tax gap. The report must utilize more current data than has been utilized recently. The report must be issued by April 15, 1989. The Internal Revenue Service must also report annually on the improvements being made in the audit rate, taxpayer assistance, and enforcement efforts.

SEC. 4. TEST PROCEDURES.

Section 323 of the Energy Policy and Conservation Act (42 U.S.C. 6293) is amended to read as follows: 101 STAT. 106

"TEST PROCEDURES

"SEC. 323. (a) GENERAL RULE.—All test procedures and related determinations prescribed or made by the Secretary with respect to any covered product (or class thereof) which are in effect on the date of enactment of the National Appliance Energy Conservation Act of 1987 shall remain in effect until the Secretary amends such test procedures and related determinations under subsection (b).

"(b) AMENDED AND NEW PROCEDURES.—(1)(A) The Secretary may amend test procedures with respect to any covered product if the Secretary determines that amended test procedures would more accurately or fully comply with the requirements of paragraph (3).

"(B) The Secretary may, in accordance with the requirements of this subsection, prescribe test procedures for any consumer product classified as a covered product under section 322(b). 42 USC 6292.

"(C) The Secretary shall direct the National Bureau of Standards to assist in developing new or amended test procedures.

"(2) If the Secretary determines, on his own behalf or in response to a petition by any interested person, that a test procedure should be prescribed or amended, the Secretary shall promptly publish in the Federal Register proposed test procedures and afford interested persons an opportunity to present oral and written data, views, and Federal Register, publication.

arguments with respect to such procedures. The comment period shall not be less than 60 days and may be extended for good cause shown to not more than 270 days. In prescribing or amending a test procedure, the Secretary shall take into account such information as the Secretary determines relevant to such procedure, including technological developments relating to energy use or energy efficiency of the type (or class) of covered products involved.

"(3) Any test procedures prescribed or amended under this section shall be reasonably designed to produce test results which measure energy efficiency, energy use, or estimated annual operating cost of a covered product during a representative average use cycle or period of use, as determined by the Secretary, and shall not be unduly burdensome to conduct.

"(4) If the test procedure is a procedure for determining estimated annual operating costs, such procedure shall provide that such costs shall be calculated from measurements of energy use in a representative average use cycle or period of use, as determined by the Secretary, and from representative average unit costs of the energy needed to operate such product during such cycle. The Secretary shall provide information to manufacturers with respect to representative average unit costs of energy.

"(c) RESTRICTION ON CERTAIN REPRESENTATIONS.—(1) No manufacturer, distributor, retailer, or private labeler may make any representation—

"(A) in writing (including a representation on a label); or

"(B) in any broadcast advertisement,

with respect to the energy use or efficiency of a covered product to which a test procedure is applicable under subsection (a) or the cost of energy consumed by such product, unless such product has been tested in accordance with such test procedure and such representation fairly discloses the results of such testing.

Effective date.

"(2) Effective 180 days after an amended or new test procedure applicable to a covered product is prescribed under subsection (b), no manufacturer, distributor, retailer, or private labeler may make any

representation—

"(A) in writing (including a representation on a label); or

"(B) in any broadcast advertisement,

with respect to energy use or efficiency of such product or cost of energy consumed by such product, unless such product has been tested in accordance with such amended or new test procedures and such representation fairly discloses the results of such testing.

"(3) On the petition of any manufacturer, distributor, retailer, or private labeler, filed not later than the 60th day before the expiration of the period involved, the 180-day period referred to in paragraph (2) may be extended by the Secretary with respect to the petitioner (but in no event for more than an additional 180 days) if the Secretary determines that the requirements of paragraph (2) would impose an undue hardship on such petitioner.

Federal Register, publication.

"(d) CASE IN WHICH TEST PROCEDURE IS NOT REQUIRED.—(1) The Secretary is not required to publish and prescribe test procedures for a covered product (or class thereof) if the Secretary determines, by rule, that test procedures cannot be developed which meet the requirements of subsection (b)(3) and publishes such determination in the Federal Register, together with the reasons therefor.

Post, p. 117.

"(2) For purposes of section 327, a determination under paragraph (1) with respect to any covered product or class shall have the same effect as would a standard prescribed for a covered product (or class).

"(e) AMENDMENT OF STANDARD.—(1) In the case of any amended test procedure which is prescribed pursuant to this section, the Secretary shall determine, in the rulemaking carried out with respect to prescribing such procedure, to what extent, if any, the proposed test procedure would alter the measured energy efficiency or measured energy use of any covered product as determined under the existing test procedure.

"(2) If the Secretary determines that the amended test procedure will alter the measured efficiency or measured use, the Secretary shall amend the applicable energy conservation standard during the rulemaking carried out with respect to such test procedure. In determining the amended energy conservation standard, the Secretary shall measure, pursuant to the amended test procedure, the energy efficiency or energy use of a representative sample of covered products that minimally comply with the existing standard. The average of such energy efficiency or energy use levels determined under the amended test procedure shall constitute the amended energy conservation standard for the applicable covered products.

"(3) Models of covered products in use before the date on which the amended energy conservation standard becomes effective (or revisions of such models that come into use after such date and have the same energy efficiency or energy use characteristics) that comply with the energy conservation standard applicable to such covered products on the day before such date shall be deemed to comply with the amended energy conservation standard.

"(4) The Secretary's authority to amend energy conservation standards under this subsection shall not affect the Secretary's obligation to issue final rules as described in section 325." *Infra.*

"(i) STANDARDS FOR OTHER COVERED PRODUCTS.—(1) The Secretary may prescribe an energy conservation standard for any type (or class) of covered products of a type specified in paragraph (13) of section 322(a) if the requirements of subsections (l) and (m) are met and the Secretary determines that— *Ante*, p. 105.

"(A) the average per household energy use within the United States by products of such type (or class) exceeded 150 kilowatt-hours (or its Btu equivalent) for any 12-month period ending before such determination;

"(B) the aggregate household energy use within the United States by products of such type (or class) exceeded 4,200,000,000 kilowatt-hours (or its Btu equivalent) for any such 12-month period;

"(C) substantial improvement in the energy efficiency of products of such type (or class) is technologically feasible; and 101 STAT. 113

"(D) the application of a labeling rule under section 324 to such type (or class) is not likely to be sufficient to induce manufacturers to produce, and consumers and other persons to purchase, covered products of such type (or class) which achieve the maximum energy efficiency which is technologically feasible and economically justified. 42 USC 6294.

"(2) Any new or amended standard for covered products of a type specified in paragraph (13) of section 322(a) shall not apply to products manufactured within five years after the publication of a final rule establishing such standard. *Ante*, p. 105.

"(3) The Secretary may, in accordance with subsections (l) and (m), prescribe an energy conservation standard for television sets. Any such standard may not become effective with respect to products manufactured before January 1, 1992.

"(j) FURTHER RULEMAKING.—After issuance of the last final rules required under subsections (b) through (h) of this section, the Secretary may publish final rules to determine whether standards for a covered product should be amended. An amendment prescribed under this subsection shall apply to products manufactured after a date which is 5 years after—

"(A) the effective date of the previous amendment made pursuant to this part; or

"(B) if the previous final rule published under this part did not amend the standard, the earliest date by which a previous amendment could have been in effect, except that in no case may an amended standard apply to products manufactured within 3 years (for refrigerators, refrigerator-freezers, and freezers, room air conditioners, dishwashers, clothes washers, clothes dryers, and kitchen ranges and ovens) or 5 years (for central air conditioners and heat pumps, water heaters, pool heaters, direct hearing equipment and furnaces) after publication of the final rule establishing a standard.

"(k) PETITION FOR AN AMENDED STANDARD.—(1) With respect to each covered product described in paragraphs (1) through (11) of section 322(a), any person may petition the Secretary to conduct a rulemaking to determine for a covered product if the standards contained either in the last final rule required under subsections (b) through (h) of this section or in a final rule published under this section should be amended.

"(2) The Secretary shall grant a petition if he finds that it contains evidence which, assuming no other evidence were considered, provides an adequate basis for amending the standards under the following criteria—

"(A) amended standards will result in significant conservation of energy;

"(B) amended standards are technologically feasible; and

"(C) amended standards are cost effective as described in subsection (l)(2)(B)(i)(II).

The grant of a petition by the Secretary under this subsection creates no presumption with respect to the Secretary's determination of any of the criteria in a rulemaking under this section.

"(3) An amendment prescribed under this subsection shall apply to products manufactured after a date which is 5 years after—

"(A) the effective date of the previous amendment pursuant to this part; or

"(B) if the previous final rule published under this part did not amend the standard, the earliest date by which a previous amendment could have been in effect, except that in no case may an amended standard apply to products manufactured within 3 years (for refrigerators, refrigerator-freezers, and freezers, room air conditioners, dishwashers, clothes washers, clothes dryers, and kitchen ranges and ovens) or 5 years (for central air conditioners and heat pumps, water heaters, pool heaters, direct heating equipment and furnaces) after publication of the final rule establishing a standard.

101 STAT. 114

"(l) CRITERIA FOR PRESCRIBING NEW OR AMENDED STANDARDS.—(1) The Secretary may not prescribe any amended standard which increases the maximum allowable energy use, or decreases the minimum required energy efficiency, of a covered product.

"(2)(A) Any new or amended energy conservation standard prescribed by the Secretary under this section for any type (or class) of covered product shall be designed to achieve the maximum improvement in energy efficiency which the Secretary determines is technologically feasible and economically justified.

"(B)(i) In determining whether a standard is economically justified, the Secretary shall, after receiving views and comments furnished with respect to the proposed standard, determine whether the benefits of the standard exceed its burdens by, to the greatest extent practicable, considering—

"(I) the economic impact of the standard on the manufacturers and on the consumers of the products subject to such standard;

"(II) the savings in operating costs throughout the estimated average life of the covered product in the type (or class) compared to any increase in the price of, or in the initial charges for, or maintenance expenses of, the covered products which are likely to result from the imposition of the standard;

"(III) the total projected amount of energy savings likely to result directly from the imposition of the standard;

"(IV) any lessening of the utility or the performance of the covered products likely to result from the imposition of the standard;

"(V) the impact of any lessening of competition, as determined in writing by the Attorney General, that is likely to result from the imposition of the standard;

"(VI) the need for national energy conservation; and

"(VII) other factors the Secretary considers relevant.

"(ii) For purposes of clause (i)(V), the Attorney General shall make a determination of the impact, if any, of any lessening of competition likely to result from such standard and shall transmit such determination, not later than 60 days after the publication of a proposed rule prescribing or amending an energy conservation standard, in writing to the Secretary, together with an analysis of the nature and extent of such impact. Any such determination and analysis shall be published by the Secretary in the Federal Register. Federal Register, publication.

"(iii) If the Secretary finds that the additional cost to the consumer of purchasing a product complying with an energy conservation standard level will be less than three times the value of the energy savings during the first year that the consumer will receive as a result of the standard, as calculated under the applicable test procedure, there shall be a rebuttable presumption that such standard level is economically justified. A determination by the Secretary that such criterion is not met shall not be taken into consideration in the Secretary's determination of whether a standard is economically justified. 101 STAT. 115

"(3) The Secretary may not prescribe an amended or new standard under this section for a type (or class) of covered product if—

"(A) for products other than dishwashers, clothes washers, clothes dryers, and kitchen ranges and ovens, a test procedure has not been prescribed pursuant to section 323 with respect to that type (or class) of product; or *Ante*, p. 105.

"(B) the Secretary determines, by rule, that the establishment of such standard will not result in significant conservation of energy or that the establishment of such standard is not technologically feasible or economically justified.

For purposes of section 327, a determination under subparagraph (B) with respect to any type (or class) of covered products shall have the same effect as would a standard prescribed for such type (or class). *Post*, p. 117.

"(4) The Secretary may not prescribe an amended or new standard under this section if the Secretary finds (and publishes such finding) that interested persons have established by a preponderance of the evidence that the standard is likely to result in the unavailability in the United States in any covered product type (or class) of performance characteristics (including reliability), features, sizes, capacities, and volumes that are substantially the same as those generally available in the United States at the time of the Secretary's finding. The failure of some types (or classes) to meet this criterion shall not affect the Secretary's determination of whether to prescribe a standard for other types (or classes).

"(m) PROCEDURE FOR PRESCRIBING NEW OR AMENDED STANDARDS.—Any new or amended energy conservation standard shall be prescribed in accordance with the following procedure:

"(1) The Secretary—

"(A) shall publish an advance notice of proposed rulemaking which specifies the type (or class) of covered products to which the rule may apply;

"(B) shall invite interested persons to submit, within 60 days after the date of publication of such advance notice, written presentations of data, views, and arguments in response to such notice; and

"(C) may identify proposed or amended standards that may be prescribed.

Federal Register, publication.

"(2) A proposed rule which prescribes an amended or new energy conservation standard or prescribes no amendment or no new standard for a type (or class) of covered products shall be published in the Federal Register. In prescribing any such proposed rule with respect to a standard, the Secretary shall determine the maximum improvement in energy efficiency or maximum reduction in energy use that is technologically feasible for each type (or class) of covered products. If such standard is not designed to achieve such efficiency or use, the Secretary shall state in the proposed rule the reasons therefor.

Post, p. 123.

"(3) After the publication of such proposed rulemaking, the Secretary shall, in accordance with section 336, afford interested persons an opportunity, during a period of not less than 60 days, to present oral and written comments (including an opportunity to question those who make such presentations, as provided in such section) on matters relating to such proposed rule, including—

101 STAT. 116

"(A) whether the standard to be prescribed is economically justified (taking into account those factors which the Secretary must consider under subsection (l)(2)) or will result in the effects described in subsection (l)(4);

"(B) whether the standard will achieve the maximum improvement in energy efficiency which is technologically feasible;

"(C) if the standard will not achieve such improvement, whether the reasons for not achieving such improvement are adequate; and

"(D) whether such rule should prescribe a level of energy use or efficiency which is higher or lower than that which would otherwise apply in the case of any group of products within the type (or class) that will be subject to such standard.

Federal Register, publication.

"(4) A final rule prescribing an amended or new energy conservation standard or prescribing no amended or new standard for a type (or class) of covered products shall be published as soon as is practicable, but not less than 90 days, after publication of the proposed rule in the Federal Register.

"(n) SPECIAL RULE FOR CERTAIN TYPES OR CLASSES OF PRODUCTS.—(1) A rule prescribing an energy conservation standard for a type (or class) of covered products shall specify a level of energy use or efficiency higher or lower than that which applies (or would apply) for such type (or class) for any group of covered products which have the same function or intended use, if the Secretary determines that covered products within such group—

"(A) consume a different kind of energy from that consumed by other covered products within such type (or class); or

"(B) have a capacity or other performance-related feature which other products within such type (or class) do not have and such feature justifies a higher or lower standard from that which applies (or will apply) to other products within such type (or class).

In making a determination under this paragraph concerning whether a performance-related feature justifies the establishment of a higher or lower standard, the Secretary shall consider such factors as the utility to the consumer of such a feature, and such other factors as the Secretary deems appropriate.

"(2) Any rule prescribing a higher or lower level of energy use or efficiency under paragraph (1) shall include an explanation of the basis on which such higher or lower level was established.

"(o) INCLUSION IN STANDARDS OF TEST PROCEDURES AND OTHER REQUIREMENTS.—Any new or amended energy conservation standard prescribed under this section shall include, where applicable, test procedures prescribed in accordance with section 323 and may include any requirement which the Secretary determines is necessary to assure that each covered product to which such standard applies meets the required minimum level of energy efficiency or maximum quantity of energy use specified in such standard.

Ante, p. 105.

"(p) DETERMINATION OF COMPLIANCE WITH STANDARDS.—Compliance with, and performance under, the energy conservation standards (except for design standards authorized by this part) established in, or prescribed under, this section shall be determined using the test procedures and corresponding compliance criteria prescribed under section 323.

101 STAT. 117

"(q) SMALL MANUFACTURER EXEMPTION.—(1) Subject to paragraph (2), the Secretary may, on application of any manufacturer, exempt such manufacturer from all or part of the requirements of any energy conservation standard established in or prescribed under this section for any period not longer than the 24-month period beginning on the date such rule becomes effective, if the Secretary finds that the annual gross revenues of such manufacturer from all its operations (including the manufacture and sale of covered products) does not exceed $8,000,000 for the 12-month period preceding the date of the application. In making such finding with respect to any manufacturer, the Secretary shall take into account the annual gross revenues of any other person who controls, is controlled by, or is under common control with, such manufacturer.

"(2) The Secretary may not exercise the authority granted under paragraph (1) with respect to any type (or class) of covered product subject to an energy conservation standard under this section unless the Secretary makes a finding, after obtaining the written views of the Attorney General, that a failure to allow an exemption under paragraph (1) would likely result in a lessening of competition."

SEC. 6. REQUIREMENTS OF MANUFACTURERS.

Section 326(d) of the Energy Policy and Conservation Act (42 U.S.C. 6296(d)) is amended to read as follows:

"(d) INFORMATION REQUIREMENTS.—(1) For purposes of carrying out this part, the Secretary may require, under this part or other provision of law administered by the Secretary, each manufacturer of a covered product to submit information or reports to the Secretary with respect to energy efficiency or energy use of such covered product and the economic impact of any proposed energy conservation standard, as the Secretary determines may be necessary to establish and revise test procedures, labeling rules, and energy conservation standards for such product and to insure compliance with the requirements of this part. In making any determination under this paragraph, the Secretary shall consider existing public sources of information, including nationally recognized certification programs of trade associations.

Reports.
Labeling.

"(2) The Secretary shall exercise authority under this section in a manner designed to minimize unnecessary burdens on manufacturers of covered products.

"(3) The provisions of section 11(d) of the Energy Supply and Environmental Coordination Act of 1974 shall apply with respect to information obtained under this subsection to the same extent and in the same manner as they apply with respect to energy information obtained under section 11 of such Act."

15 USC 796.

SEC. 7. EFFECT ON OTHER LAW.

Section 327 of the Energy Policy and Conservation Act (42 U.S.C. 6297) is amended to read as follows:

"EFFECT ON OTHER LAW

State and local governments.

"SEC. 327. (a) PREEMPTION OF TESTING AND LABELING REQUIREMENTS.—(1) Effective on the date of enactment of the National Appliance Energy Conservation Act of 1987, this part supersedes any State regulation insofar as such State regulation provides at any time for the disclosure of information with respect to any measure of energy consumption of any covered product if—

101 STAT. 118

"(A) such State regulation requires testing or the use of any measure of energy consumption or energy descriptor in any manner other than that provided under section 323; or

Ante, p. 105.

"(B) such State regulation requires disclosure of information with respect to the energy use or energy efficiency of any covered product other than information required under section 324.

42 USC 6294.

"(2) For purposes of this section, the term 'State regulation' means a law, regulation, or other requirement of a State or its political subdivisions.

"(b) GENERAL RULE OF PREEMPTION FOR ENERGY CONSERVATION STANDARDS BEFORE FEDERAL STANDARD BECOMES EFFECTIVE FOR A PRODUCT.—Effective on the date of enactment of the National Appliance Energy Conservation Act of 1987 and ending on the effective date of an energy conservation standard established under section 325 for any covered product, no State regulation, or revision thereof, concerning the energy efficiency or energy use of the covered product shall be effective with respect to such covered product, unless the State regulation or revision—

Ante, p. 107.

"(1) was prescribed or enacted before January 8, 1987, and is applicable to products before January 3, 1988;

"(2) is a State procurement regulation described in subsection (e);

"(3) is a regulation described in subsection (f)(1) or is prescribed or enacted in a building code for new construction described in subsection (f)(2);

"(4) is a regulation prohibiting the use in pool heaters of a constant burning pilot;

"(5) is a regulation described in subsection (d)(5)(B) for which a waiver has been granted under subsection (d); or

"(6) is a regulation effective on or after January 1, 1992, concerning the energy efficiency or energy use of television sets.

"(c) GENERAL RULE OF PREEMPTION FOR ENERGY CONSERVATION STANDARDS WHEN FEDERAL STANDARD BECOMES EFFECTIVE FOR A PRODUCT.—Except as provided in section 325(b)(3)(A)(ii) and effective on the effective date of an energy conservation standard established in or prescribed under section 325 for any covered product, no State regulation concerning the energy efficiency or energy use of such covered product shall be effective with respect to such product unless the regulation—

"(1) is a regulation described in paragraph (2) or (4) of subsection (b);

"(2) is a regulation which has been granted a waiver under subsection (d); or

"(3) is in a building code for new construction described in subsection (f)(3).

"(d) WAIVER OF FEDERAL PREEMPTION.—(1)(A) Any State with a State regulation which provides for any energy conservation standard or other requirement with respect to energy use or energy efficiency for any type (or class) of covered product for which there is a Federal energy conservation standard under section 325 may file a petition with the Secretary requesting a rule that such State regulation become effective with respect to such covered product.

"(B) Subject to paragraphs (2) through (5), the Secretary shall, within the period described in paragraph (2) and after consideration of the petition and the comments of interested persons, prescribe such rule if the Secretary finds (and publishes such finding) that the

State has established by a preponderance of the evidence that such State regulation is needed to meet unusual and compelling State or local energy interests. 101 STAT. 119

"(C) For purposes of this subsection, the term 'unusual and compelling State or local energy interests' means interests which—

"(i) are substantially different in nature or magnitude than those prevailing in the United States generally; and

"(ii) are such that the costs, benefits, burdens, and reliability of energy savings resulting from the State regulation make such regulation preferable or necessary when measured against the costs, benefits, burdens, and reliability of alternative approaches to energy savings or production, including reliance on reasonably predictable market-induced improvements in efficiency of all products subject to the State regulation.

The factors described in clause (ii) shall be evaluated within the context of the State's energy plan and forecast.

"(2) The Secretary shall give notice of any petition filed under paragraph (1)(A) and afford interested persons a reasonable opportunity to make written comments, including rebuttal comments, thereon. The Secretary shall, within the 6-month period beginning on the date on which any such petition is filed, deny such petition or prescribe the requested rule, except that the Secretary may publish a notice in the Federal Register extending such period to a date certain but no longer than one year after the date on which the petition was filed. Such notice shall include the reasons for delay. In the case of any denial of a petition under this subsection, the Secretary shall publish in the Federal Register notice of, and the reasons for, such denial. Federal Register, publication. Federal Register, publication.

"(3) The Secretary may not prescribe a rule under this subsection if the Secretary finds (and publishes such finding) that interested persons have established, by a preponderance of the evidence, that such State regulation will significantly burden manufacturing, marketing, distribution, sale, or servicing of the covered product on a national basis. In determining whether to make such finding, the Secretary shall evaluate all relevant factors, including—

"(A) the extent to which the State regulation will increase manufacturing or distribution costs of manufacturers, distributors, and others;

"(B) the extent to which the State regulation will disadvantage smaller manufacturers, distributors, or dealers or lessen competition in the sale of the covered product in the State;

"(C) the extent to which the State regulation would cause a burden to manufacturers to redesign and produce the covered product type (or class), taking into consideration the extent to which the regulation would result in a reduction—

"(i) in the current models, or in the projected availability of models, that could be shipped on the effective date of the regulation to the State and within the United States; or

"(ii) in the current or projected sales volume of the covered product type (or class) in the State and the United States; and

"(D) the extent to which the State regulation is likely to contribute significantly to a proliferation of State appliance efficiency requirements and the cumulative impact such requirements would have.

"(4) The Secretary may not prescribe a rule under this subsection if the Secretary finds (and publishes such finding) that interested persons have established, by a preponderance of the evidence, that the State regulation is likely to result in the unavailability in the State of any covered product type (or class) of performance characteristics (including reliability), features, sizes, capacities, and volumes that are substantially the same as those generally available in the State at the time of the Secretary's finding, except that the failure of some classes (or types) to meet this criterion shall not affect the Secretary's determination of whether to prescribe a rule for other classes (or types). 101 STAT. 120

"(5) No final rule prescribed by the Secretary under this subsection may—

"(A) permit any State regulation to become effective with respect to any covered product manufactured within three years after such rule is published in the Federal Register or within five years if the Secretary finds that such additional time is necessary due to the substantial burdens of retooling, redesign, or distribution needed to comply with the State regulation; or

"(B) become effective with respect to a covered product manufactured before the earliest possible effective date specified in section 325 for the initial amendment of the energy conservation standard established in such section for the covered product; except that such rule may become effective before such date if the Secretary finds (and publishes such finding) that, in addition to the other requirements of this subsection the State has established, by a preponderance of the evidence, that—

Ante, p. 107.

"(i) an energy emergency condition exists within the State which—

"(I) imperils the health, safety, and welfare of its residents because of the inability of the State or utilities within the State to provide adequate quantities of gas or electric energy to its residents at less than prohibitive costs; and

"(II) cannot be substantially alleviated by the importation of energy or the use of interconnection agreements; and

"(ii) the State regulation is necessary to alleviate substantially such condition.

"(6) In any case in which a State is issued a rule under paragraph (1) with respect to a covered product and subsequently a Federal energy conservation standard concerning such product is amended pursuant to section 325, any person subject to such State regulation may file a petition with the Secretary requesting the Secretary to withdraw the rule issued under paragraph (1) with respect to such product in such State. The Secretary shall consider such petition in accordance with the requirements of paragraphs (1), (3), and (4), except that the burden shall be on the petitioner to show by a preponderance of the evidence that the rule received by the State under paragraph (1) should be withdrawn as a result of the amendment to the Federal standard. If the Secretary determines that the petitioner has shown that the rule issued by the State should be so withdrawn, the Secretary shall withdraw it.

"(e) EXCEPTION FOR CERTAIN STATE PROCUREMENT STANDARDS.—Any State regulation which sets forth procurement standards for a State (or political subdivision thereof) shall not be superseded by the provisions of this part if such standards are more stringent than the corresponding Federal energy conservation standards.

101 STAT. 121

"(f) EXCEPTION FOR CERTAIN BUILDING CODE REQUIREMENTS.—(1) A regulation or other requirement enacted or prescribed before January 8, 1987, that is contained in a State or local building code for new construction concerning the energy efficiency or energy use of a covered product is not superseded by this part until the effective date of the energy conservation standard established in or prescribed under section 325 for such covered product.

Ante, p. 107.

"(2) A regulation or other requirement, or revision thereof, enacted or prescribed on or after January 8, 1987, that is contained in a State or local building code for new construction concerning the energy efficiency or energy use of a covered product is not superseded by this part until the effective date of the energy conservation standard established in or prescribed under section 325 for such covered product if the code does not require that the energy efficiency of such covered product exceed—

"(A) the applicable minimum efficiency requirement in a national voluntary consensus standard; or

"(B) the minimum energy efficiency level in a regulation or

other requirement of the State meeting the requirements of subsection (b)(1) or (b)(5),

whichever is higher.

"(3) Effective on the effective date of an energy conservation standard for a covered product established in or prescribed under section 325, a regulation or other requirement contained in a State or local building code for new construction concerning the energy efficiency or energy use of such covered product is not superseded by this part if the code complies with all of the following requirements:

"(A) The code permits a builder to meet an energy consumption or conservation objective for a building by selecting items whose combined energy efficiencies meet the objective.

"(B) The code does not require that the covered product have an energy efficiency exceeding the applicable energy conservation standard established in or prescribed under section 325, except that the required efficiency may exceed such standard up to the level required by a regulation of that State for which the Secretary has issued a rule granting a waiver under subsection (d).

"(C) The credit to the energy consumption or conservation objective allowed by the code for installing covered products having energy efficiencies exceeding such energy conservation standard established in or prescribed under section 325 or the efficiency level required in a State regulation referred to in subparagraph (B) is on a one-for-one equivalent energy use or equivalent cost basis.

"(D) If the code uses one or more baseline building designs against which all submitted building designs are to be evaluated and such baseline building designs contain a covered product subject to an energy conservation standard established in or prescribed under section 325, the baseline building designs are based on the efficiency level for such covered product which meets but does not exceed such standard or the efficiency level required by a regulation of that State for which the Secretary has issued a rule granting a waiver under subsection (d).

"(E) If the code sets forth one or more optional combinations of items which meet the energy consumption or conservation objective, for every combination which includes a covered product the efficiency of which exceeds either standard or level 101 STAT. 122 referred to in subparagraph (D), there also shall be at least one combination which includes such covered product the efficiency of which does not exceed such standard or level by more than 5 percent, except that at least one combination shall include such covered product the efficiency of which meets but does not exceed such standard.

"(F) The energy consumption or conservation objective is specified in terms of an estimated total consumption of energy (which may be calculated from energy loss- or gain-based codes) utilizing an equivalent amount of energy (which may be specified in units of energy or its equivalent cost).

"(G) The estimated energy use of any covered product permitted or required in the code, or used in calculating the objective, is determined using the applicable test procedures prescribed under section 323, except that the State may permit *Ante*, p. 105 the estimated energy use calculation to be adjusted to reflect the conditions of the areas where the code is being applied if such adjustment is based on the use of the applicable test procedures prescribed under section 323 or other technically accurate documented procedure.

"(4)(A) Subject to subparagraph (B), a State or local government is not required to submit a petition to the Secretary in order to enforce or apply its building code or to establish that the code meets the conditions set forth in this subsection.

"(B) If a building code requires the installation of covered products with efficiencies exceeding both the applicable Federal standard established in or prescribed under section 325 and the applicable *Ante*, p. 107. standard of such State, if any, that has been granted a waiver under

subsection (d), such requirement of the building code shall not be applicable unless the Secretary has granted a waiver for such requirement under subsection (d).

"(g) NO WARRANTY.—Any disclosure with respect to energy use, energy efficiency, or estimated annual operating cost which is required to be made under the provisions of this part shall not create an express or implied warranty under State or Federal law that such energy efficiency will be achieved or that such energy use or estimated annual operating cost will not be exceeded under conditions of actual use.".

SEC. 8. CITIZEN SUITS.

Section 335(a) of the Energy Policy and Conservation Act (42 U.S.C. 6305) is amended—

(1) by striking out "or" at the end of paragraph (1);

(2) by striking out the period at the end of paragraph (2) and inserting in lieu thereof "; or";

(3) by inserting after paragraph (2) the following new paragraph:

"(3) the Secretary in any case in which there is an alleged failure of the Secretary to comply with a nondiscretionary duty to issue a proposed or final rule according to the schedules set forth in section 325."; and

(4) by adding after the last sentence the following:

"The courts shall advance on the docket, and expedite the disposition of, all causes filed therein pursuant to paragraph (3) of this subsection. If the court finds that the Secretary has failed to comply with a deadline established in section 325, the court shall have
101 STAT. 123 jurisdiction to order appropriate relief, including relief that will ensure the Secretary's compliance with future deadlines for the same covered product."

SEC. 9. ADMINISTRATIVE REVIEW AND JUDICIAL REVIEW.

Section 336 of the Energy Policy and Conservation Act (42 U.S.C. 6306) is amended to read as follows:

"ADMINISTRATIVE PROCEDURE AND JUDICIAL REVIEW

"SEC. 336. (a)(1) In addition to the requirements of section 553 of title 5, United States Code, rules prescribed under section 323, 324, 325, 327, or 328 of this part shall afford interested persons an opportunity to present written and oral data, views, and arguments with respect to any proposed rule.

Ante, p. 105; 42 USC 6294; *ante*, p. 107; *post*, p. 117; 42 USC 6298.

"(A) other interested persons who have made oral presentations; and

"(B) employees of the United States who have made written or oral presentations with respect to disputed issues of material fact.

Such opportunity shall be afforded to the extent the Secretary determines that questioning pursuant to such procedures is likely to result in a more timely and effective resolution of such issues.

"(3) A transcript shall be kept of any oral presentations made under this subsection.

"(b)(1) Any person who will be adversely affected by a rule prescribed under section 323, 324, or 325 may, at any time within 60 days after the date on which such rule is prescribed, file a petition with the United States court of appeals for the circuit in which such person resides or has his principal place of business, for judicial review of such rule. A copy of the petition shall be transmitted by the clerk of the court to the agency which prescribed the rule. Such agency shall file in the court the written submissions to, and transcript of, the proceedings on which the rule was based, as provided in section 2112 of title 28, United States Code.

"(2) Upon the filing of the petition referred to in paragraph (1), the court shall have jurisdiction to review the rule in accordance with chapter 7 of title 5, United States Code, and to grant appropriate relief as provided in such chapter. No rule under section 323, 324, or 325 may be affirmed unless supported by substantial evidence.

5 USC 701 *et seq.*

"(3) The judgment of the court affirming or setting aside, in whole or in part, any such rule shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

"(c) Jurisdiction is vested in the Federal district courts of the United States over actions brought by—

"(1) any adversely affected person to determine whether a State or local government is complying with the requirements of this part; and

State and local governments.

"(2) any person who files a petition under section 325(k) which is denied by the Secretary.".

(3) ADDITIONAL DEFINITIONS.—Section 2 of the Bank Holding Company Act of 1956 (12 U.S.C. 1841) is amended by adding at the end thereof the following new subsections:

"(j) INSURED INSTITUTION.—For purposes of this Act, the term 'insured institution' has the meaning given to such term in section 408(a)(1) of the National Housing Act.

"(k) AFFILIATE.—For purposes of this Act, the term 'affiliate' means any company that controls, is controlled by, or is under common control with another company.

"(l) SAVINGS BANK HOLDING COMPANY.—For purposes of this Act, the term 'savings bank holding company' means any company

which controls one or more qualified savings banks if the aggregate total assets of such savings banks constitute, upon formation of the holding company and at all times thereafter, at least 70 percent of the total assets of such company.

"(m) QUALIFIED SAVINGS BANK.—For purposes of this Act, the term 'qualified savings bank'—

"(1) means any savings bank (as defined in section 3(g) of the Federal Deposit Insurance Act) which was organized on or before March 5, 1987; and

"(2) includes any cooperative bank that is an insured bank (as defined in section 3(h) of the Federal Deposit Insurance Act) and any interim savings bank that is established to facilitate a corporate reorganization, or the formation of a holding company, involving a savings bank described in paragraph (1).".

(b) IMMEDIATE DIVESTITURE REQUIREMENT.—Section 4(a)(2) of the Bank Holding Company Act of 1956 (12 U.S.C. 1843(a)(2)) is amended by adding at the end thereof the following sentence: "Notwithstanding any other provision of this paragraph, if any company that became a bank holding company as a result of the enactment of the Competitive Equality Amendments of 1987 acquired, between March 5, 1987, and the date of the enactment of such Amendments, an institution that became a bank as a result of the enactment of such Amendments, that company shall, upon the enactment of such Amendments, immediately come into compliance with the requirements of this Act.".

(c) CERTAIN COMPANIES NOT TREATED AS BANK HOLDING COMPANIES; LIMITATIONS ON CERTAIN BANKS.—Section 4 of the Bank Holding Company Act of 1956 (12 U.S.C. 1843) is amended by adding at the end thereof the following new subsections:

101 STAT. 558

"(f) CERTAIN COMPANIES NOT TREATED AS BANK HOLDING COMPANIES.—

"(1) IN GENERAL.—Except as provided in paragraph (9), any company which—

"(A) on March 5, 1987, controlled an institution which became a bank as a result of the enactment of the Competitive Equality Amendments of 1987; and

"(B) was not a bank holding company on the day before the date of the enactment of the Competitive Equality Amendments of 1987,

shall not be treated as a bank holding company for purposes of this Act solely by virtue of such company's control of such institution.

"(2) LOSS OF EXEMPTION.—Paragraph (1) shall cease to apply to any company described in such paragraph if—

"(A) such company directly or indirectly—

"(i) acquires control of an additional bank or an insured institution (other than an insured institution described in paragraph (10) of this subsection) after March 5, 1987; or

"(ii) acquires control of more than 5 percent of the shares or assets of an additional bank or an insured institution other than—

"(III) shares held in an account solely for trading purposes;

"(IV) loans or other accounts receivable acquired in the normal course of business; and

"(V) shares or assets of an insured institution described in paragraph (10) of this subsection; or

"(B) any bank subsidiary of such company fails to comply with the restrictions contained in paragraph (3)(B).

"(3) LIMITATION ON BANKS CONTROLLED BY PARAGRAPH (1) COMPANIES.—

"(A) FINDINGS.—The Congress finds that banks controlled by companies referred to in paragraph (1) may, because of relationships with affiliates, be involved in conflicts of interest, concentration of resources, or other effects adverse to bank safety and soundness, and may also be able to compete unfairly against banks controlled by bank holding companies by combining banking services with financial services not permissible for bank holding companies. The purpose of this paragraph is to minimize any such potential adverse effects or inequities by temporarily restricting the activities of banks controlled by companies referred to in paragraph (1) until such time as the Congress has enacted proposals to allow, with appropriate safeguards, all banks or bank holding companies to compete on a more equal basis with banks controlled by companies referred to in paragraph (1) or, alternatively, proposals to permanently restrict the activities of banks controlled by companies referred to in paragraph (1).

101 STAT. 559

"(B) LIMITATIONS.—Until such time as the Congress has taken action pursuant to subparagraph (A), a bank controlled by a company described in paragraph (1) shall not—

"(i) engage in any activity in which such bank was not lawfully engaged as of March 5, 1987;

"(ii) offer or market products or services of an affiliate that are not permissible for bank holding companies to provide under subsection (c)(8), or permit its products or services to be offered or marketed by or through an affiliate (other than an affiliate that engages only in activities permissible for bank holding companies under subsection (c)(8)), unless such products or services were being so offered or marketed as of March 5, 1987, and then only in the same manner in which they were being offered or marketed as of that date;

"(iii) after the date of the enactment of the Competitive Equality Amendments of 1987, permit any overdraft (including an intraday overdraft), or incur any such overdraft in such bank's account at a Federal Reserve bank, on behalf of an affiliate, other than an overdraft described in subparagraph (C); or

"(iv) increase its assets at an annual rate of more than 7 percent during any 12-month period beginning after the end of the 1-year period beginning on the date of the enactment of the Competitive Equality Amendments of 1987.

"(C) PERMISSIBLE OVERDRAFTS DESCRIBED.—For purposes of subparagraph (B)(iii), an overdraft is described in this subparagraph if—

"(i) such overdraft results from an inadvertent computer or accounting error that is beyond the control of both the bank and the affiliate; or

"(ii) such overdraft—

"(I) is permitted or incurred on behalf of an affiliate which is monitored by, reports to, and is recognized as a primary dealer by the Federal Reserve Bank of New York; and

"(II) is fully secured, as required by the Board, by bonds, notes, or other obligations which are direct obligations of the United States or on which the principal and interest are fully guaranteed by the United States or by securities and obligations eligible for settlement on the Federal Reserve book entry system.

"(4) DIVESTITURE IN CASE OF LOSS OF EXEMPTION.—If any com-

pany described in paragraph (1) loses the exemption provided under such paragraph by operation of paragraph (2), such company shall divest control of each bank it controls within 180 days after such company becomes a bank holding company due to the loss of such exemption.

"(5) SUBSECTION CEASES TO APPLY UNDER CERTAIN CIRCUMSTANCES.—This subsection shall cease to apply to any company described in paragraph (1) if such company—

"(A) registers as a bank holding company under section 5(a) of this Act; 12 USC 1844.

"(B) immediately upon such registration, complies with all of the requirements of this Act, and regulations prescribed by the Board pursuant to this Act, including the nonbanking restrictions of this section; and 101 STAT. 560

"(C) does not, at the time of such registration, control banks in more than one State, the acquisition of which would be prohibited by section 3(d) of this Act if an application for such acquisition by such company were filed under section 3(a) of this Act. 12 USC 1842.

"(6) INFORMATION REQUIREMENT.—Each company described in paragraph (1) shall, within 60 days after the date of enactment of the Competitive Equality Amendments of 1987, provide the Board with the name and address of such company, the name and address of each bank such company controls, and a description of each such bank's activities.

"(7) EXAMINATION.—The Board may, from time to time, examine a company described in paragraph (1), or a bank controlled by such company, or require reports under oath from appropriate officers or directors of such company or bank solely for purposes of assuring compliance with the provisions of this subsection and enforcing such compliance. Reports.

"(8) ENFORCEMENT.—

"(A) IN GENERAL.—In addition to any other power of the Board, the Board may enforce compliance with the provisions of this Act which are applicable to any company described in paragraph (1), and any bank controlled by such company, under section 8 of the Federal Deposit Insurance Act and such company or bank shall be subject to such section (for such purposes) in the same manner and to the same extent as if such company or bank were a State member insured bank. 12 USC 1818.

"(B) APPLICATION OF OTHER ACT.—Any violation of this Act by any company described in paragraph (1), and any bank controlled by such company, may also be treated as a violation of the Federal Deposit Insurance Act for purposes of subparagraph (A). 12 USC 1811 note.

"(C) NO EFFECT ON OTHER AUTHORITY.—No provision of this paragraph shall be construed as limiting any authority of the Comptroller of the Currency or the Federal Deposit Insurance Corporation.

"(9) TYING PROVISIONS.—A company described in paragraph (1) shall be—

"(A) treated as a bank holding company for purposes of section 106 of the Bank Holding Company Act Amendments of 1970 and section 22(h) of the Federal Reserve Act and any regulation prescribed under any such section; and 12 USC 1971–1978, 375b.

"(B) subject to the restrictions of section 106 of the Bank Holding Company Act Amendments of 1970, in connection with any transaction involving the products or services of such company or affiliate and those of a bank affiliate, as if such company or affiliate were a bank and such bank were a subsidiary of a bank holding company.

"(10) EXEMPTION UNAFFECTED BY CERTAIN EMERGENCY ACQUISITIONS.—For purposes of clauses (i) and (ii)(V) of paragraph (2)(A), an insured institution is described in this paragraph if—

"(A) the insured institution was acquired (or any shares or assets of such institution were acquired) by a company

101 STAT. 561

described in paragraph (1) in an acquisition under section 408(m) of the National Housing Act; and

"(B) either—

"(i) the insured institution is located in a State in which such company controlled a bank on March 5, 1987; or

"(ii) the insured institution has total assets of $500,000,000 or more at the time of such acquisition.

"(g) LIMITATIONS ON CERTAIN BANKS.—

"(1) IN GENERAL.—Notwithstanding any other provision of this section (other than the last sentence of subsection (a)(2)), a bank holding company which controls an institution that became a bank as a result of the enactment of the Competitive Equality Amendments of 1987 may retain control of such institution if such institution does not—

"(A) engage in any activity after the date of the enactment of such Amendments which would have caused such institution to be a bank (as defined in section 2(c), as in effect before such date) if such activities had been engaged in before such date; or

"(B) increase the number of locations from which such institution conducts business after March 5, 1987.

"(2) LIMITATIONS CEASE TO APPLY UNDER CERTAIN CIRCUMSTANCES.—The limitations contained in paragraph (1) shall cease to apply to a bank described in such paragraph at such time as the acquisition of such bank, by the bank holding company referred to in such paragraph, would not be prohibited under section 3(d) of this Act if—

"(A) an application for such acquisition were filed under section 3(a) of this Act; and

"(B) such bank were treated as an additional bank (under section 3(d)).

"(h) TYING PROVISIONS.—

"(1) APPLICABLE TO CERTAIN EXEMPT INSTITUTIONS AND PARENT COMPANIES.—An institution described in subparagraph (D), (F), (G), (H), (I), or (J) of section 2(c)(2) shall be treated as a bank, and a company that controls such an institution shall be treated as a bank holding company, for purposes of section 106 of the Bank Holding Company Act Amendments of 1970 and section 22(h) of the Federal Reserve Act and any regulation prescribed under any such section.

"(2) APPLICABLE WITH RESPECT TO CERTAIN TRANSACTIONS.—A company that controls an institution described in subparagraph (D), (F), (G), (H), (I), or (J) of section 2(c)(2) and any of such company's other affiliates, shall be subject to the tying restrictions of section 106 of the Bank Holding Company Act Amendments of 1970 in connection with any transaction involving the products or services of such company or affiliate and those of such institution, as if such company or affiliate were a bank and such institution were a subsidiary of a bank holding company.".

"(4) SUBSECTION SHALL CEASE TO APPLY UNDER CERTAIN CIRCUMSTANCES.—If any company which is not a savings bank or a savings bank holding company acquires control of a qualified savings bank, such savings bank shall cease to engage in any activity authorized under paragraph (1) or (3) before the end of the 2-year period beginning on the date such company acquires control, unless such activity is otherwise authorized pursuant to this Act.

"(5) SPECIAL ASSET AGGREGATION RULE FOR PURPOSES OF PARAGRAPH (3).—For the sole purpose of determining whether a qualified savings bank may continue to sell and underwrite savings bank life insurance in accordance with this subsection after control of such savings bank is acquired by a bank holding company, the assets of any other bank affiliated with, or under contract to affiliate with, such savings bank as of March 5, 1987, shall be treated as assets of the savings bank in determining whether such bank holding company is a savings bank holding company.".

SEC. 4001. SHORT TITLE.

This title may be cited as the "Driftnet Impact Monitoring, Assessment, and Control Act of 1987".

SEC. 4002. FINDINGS.

The Congress finds that—

(1) the use of long plastic driftnets is a fishing technique that may result in the entanglement and death of enormous numbers of target and nontarget marine resources in the waters of the North Pacific Ocean, including the Bering Sea;

(2) there is a pressing need for detailed and reliable information on the number of marine resources that become entangled and die in actively fished driftnets and in driftnets that are lost, abandoned, or discarded; and

(3) increased efforts are necessary to monitor, assess, and reduce the adverse impacts of driftnets.

SEC. 4003. DEFINITIONS.

As used in this title—

(1) DRIFTNET.—The term "driftnet" means a gillnet composed of a panel of plastic webbing one and one-half miles or more in length.

101 STAT. 1478

(2) DRIFTNET FISHING.—The term "driftnet fishing" means a fish-harvesting method in which a driftnet is placed in water and allowed to drift with the currents and winds for the purpose of entangling fish in the webbing.

(3) EXCLUSIVE ECONOMIC ZONE OF THE UNITED STATES.—The term "exclusive economic zone of the United States" means the zone defined in section 3(6) of the Magnuson Fishery Conservation and Management Act (16 U.S.C. 1802(b)).

(6) SECRETARY.—The term "Secretary" means the Secretary of Commerce.

SEC. 4004. MONITORING AGREEMENTS.

International agreements.

(a) NEGOTIATIONS.—The Secretary, through the Secretary of State and in consultation with the Secretary of the Interior, shall immediately initiate, negotiations with each foreign government that conducts, or authorizes its nationals to conduct, driftnet fishing that results in the taking of marine resources of the United States in waters of the North Pacific Ocean outside of the exclusive economic zone and territorial sea of any nation, for the purpose of entering into agreements for statistically reliable cooperative monitoring and assessment of the numbers of marine resources of the United States killed and retrieved, discarded, or lost by the foreign government's driftnet fishing vessels. Such agreements shall provide for—

(1) the use of a sufficient number of vessels from which scientists of the United States and the foreign governments may observe and gather statistically reliable information; and

(2) appropriate methods for sharing equally the costs associated with such activities.

(b) REPORT.—The Secretary, in consultation with the Secretary of State, shall provide to the Congress not later than 1 year after the date of enactment of this Act a full report on the results of negotiations under this section.

SEC. 4005. IMPACT REPORT.

(a) IN GENERAL.—The Secretary shall provide to the Congress within 1 year after the date of the enactment of this Act, and at such other times thereafter as the Secretary considers appropriate, a report identifying the nature, extent, and effects of driftnet fishing in waters of the North Pacific Ocean on marine resources of the United States. The report shall include the best available information on—

Maritime affairs.

(1) the number and flag state of vessels involved;

(2) the areas fished;

(3) the length, width, and mesh size of driftnets used;

(6) any other information the Secretary considers appropriate.

(b) INFORMATION FROM FOREIGN GOVERNMENTS.—The Secretary, through the Secretary of State, shall—

(1) request relevant foreign governments to provide the information described in subsection (a), and

Reports.

(2) include in a report under this section the information so provided and an evaluation of the adequacy and reliability of such information.

International agreements.

SEC. 4006. ENFORCEMENT AGREEMENTS.

(a) NEGOTIATIONS.—The Secretary shall immediately initiate, through the Secretary of State and in consultation with the Secretary of the Department in which the Coast Guard is operating negotiations with each foreign government that conducts, or authorizes its nationals to conduct, driftnet fishing that results in the taking of marine resources of the United States in waters of the North Pacific Ocean outside of the exclusive economic zone and territorial sea of any nation, for the purpose of entering into agreements for effective enforcement of laws, regulations, and agreements applicable to the location, season, and other aspects of the operations of the foreign government's driftnet fishing vessels. Such agreements shall include measures for—

(1) the effective monitoring and detection of violations;

(2) the collection and presentation of such evidence of violations as may be necessary for the successful prosecution of such violations by the responsible authorities;

(4) appropriate methods for sharing equally the costs associated with such activities.

(b) CERTIFICATION FOR PURPOSES OF FISHERMEN'S PROTECTIVE ACT OF 1967.—If the Secretary, in consultation with the Secretary of State, determines that a foreign government has failed, within 18 months after the date of the enactment of this Act, to enter into and implement an agreement under subsection (a) or section 4004(a) that is adequate, the Secretary shall certify such fact to the President, which certification shall be deemed to be a certification for the purposes of section 8(a) of the Fishermen's Protective Act of 1967 (22 U.S.C. 1978(a)).

SEC. 4007. EVALUATIONS AND RECOMMENDATIONS.

(a) MARKING, REGISTRY, AND IDENTIFICATION SYSTEM.—The Secretary shall evaluate, in consultation with officials of other Federal agencies and such other persons as may be appropriate, the feasibility of and develop recommendations for the establishment of a driftnet marking, registry, and identification system to provide a reliable method for the determination of the origin by vessel, of lost, discarded, or abandoned driftnets and fragments of driftnets. In conducting such evaluation, the Secretary shall consider the adequacy of existing driftnet identification systems of foreign nations and the extent to which these systems achieve the objectives of this title.

(b) ALTERNATIVE DRIFTNET MATERIALS.—The Secretary, in consultation with such other persons as may be appropriate, shall evaluate the feasibility of, and develop appropriate recommendations for, the use of alternative materials in driftnets for the purpose of increasing the rate of decomposition of driftnets that are discarded or lost at sea. 101 STAT. 1480

(c) DRIFTNET BOUNTY SYSTEM.—The Secretary, in consultation with such other persons as may be appropriate, shall evaluate the feasibility of and develop appropriate recommendations for the implementation of a driftnet bounty system to pay persons who retrieve from the exclusive economic zone and deposit with the Secretary lost, abandoned, and discarded driftnet and other plastic fishing material.

(d) DRIFTNET FISHING VESSEL TRACKING SYSTEM.—The Secretary, in consultation with such other persons as may be appropriate, shall evaluate the feasibility of, and develop appropriate recommendations for, the establishment of a cooperative driftnet fishing vessel tracking system to facilitate efforts to monitor the location of driftnet fishing vessels.
